TRAVELING CULTURE

If you went down to the Boat Harbor around the end August, you might have noticed a train that looked a little different. The Artrain came through St. Clair on its way to Ohio. It was filled with sculpture and paintings from the different ages. There were slide shows and lectures, along with guided tours through the train. There was something for everyone at the Artrain. GRADUATION DAY

Today we'll start a new life and we'll say our last goodbyes to all the friends we've grown to love with whom we've laughed and cried.

Remembering the fun and laughter, the problems and the fears, and watching all our memories grow throughout our high school years.

The memories of the dances and the new friends that we've met, vacations, teachers, talking and exams we'd rather forget.

Yes , high school days are precious but brief, where all your dreams come true; it is not the end, but the beginning of a life we'll start anew. Pg. 2 picture 3 and Pg. 3 picture 1 & 2.

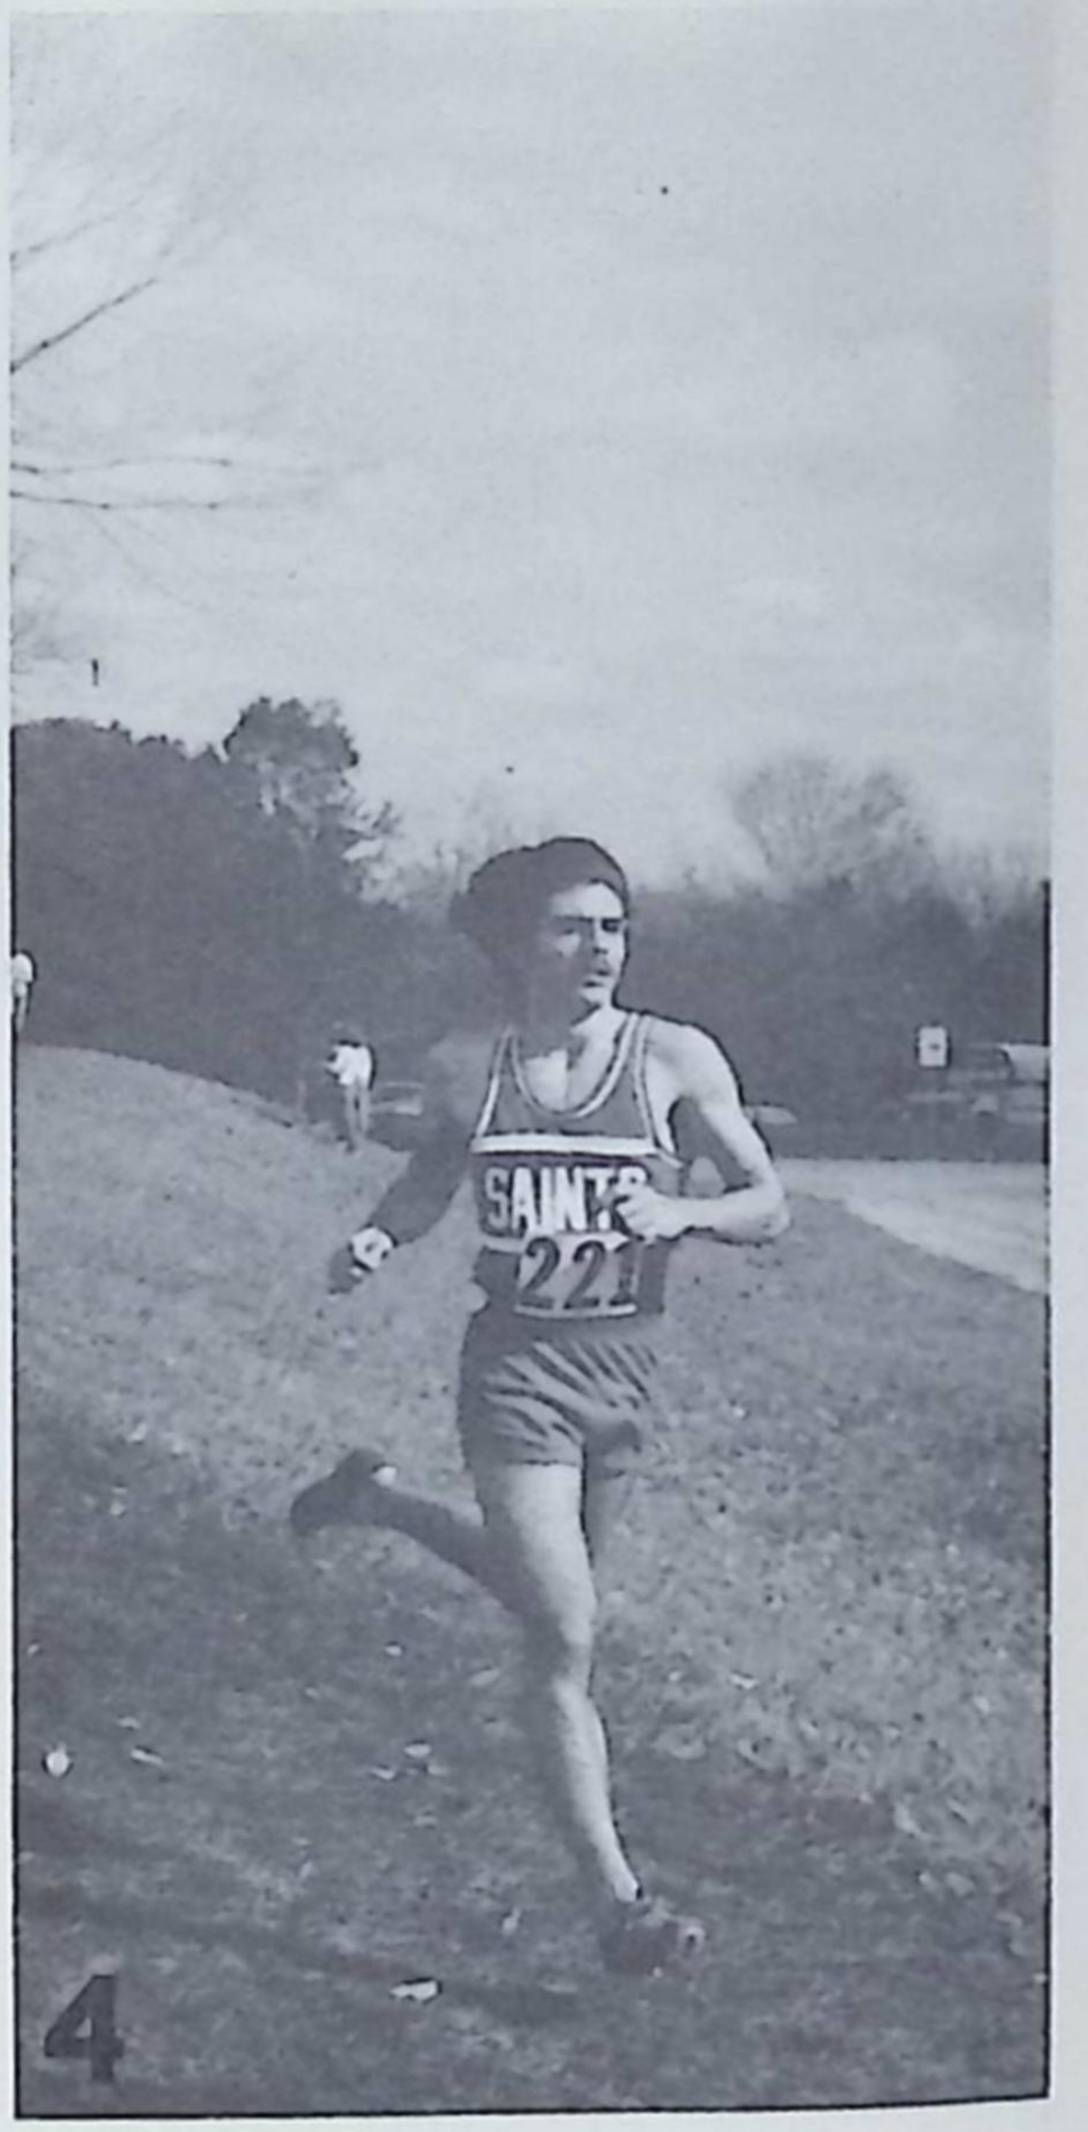
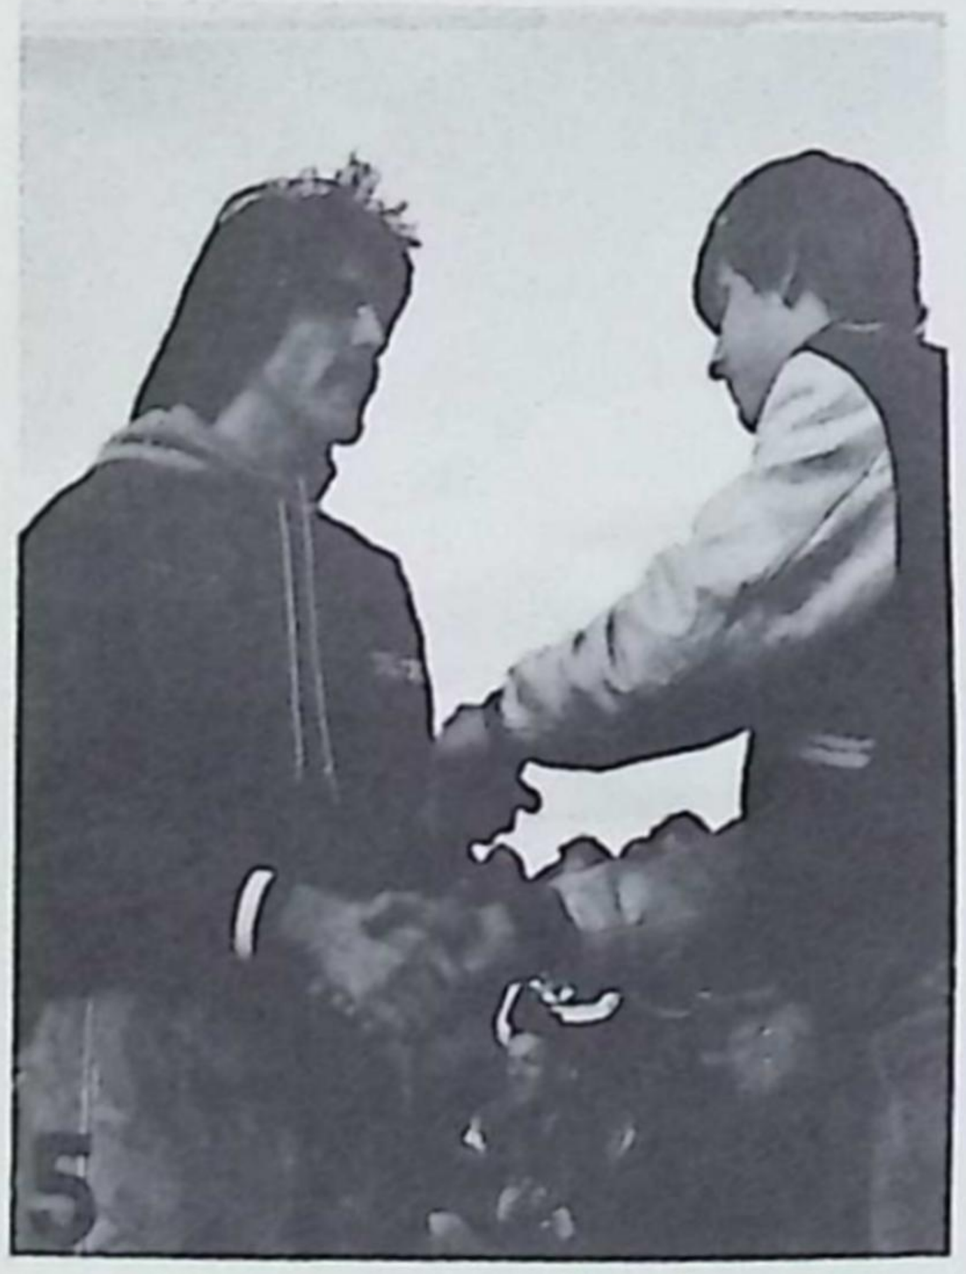
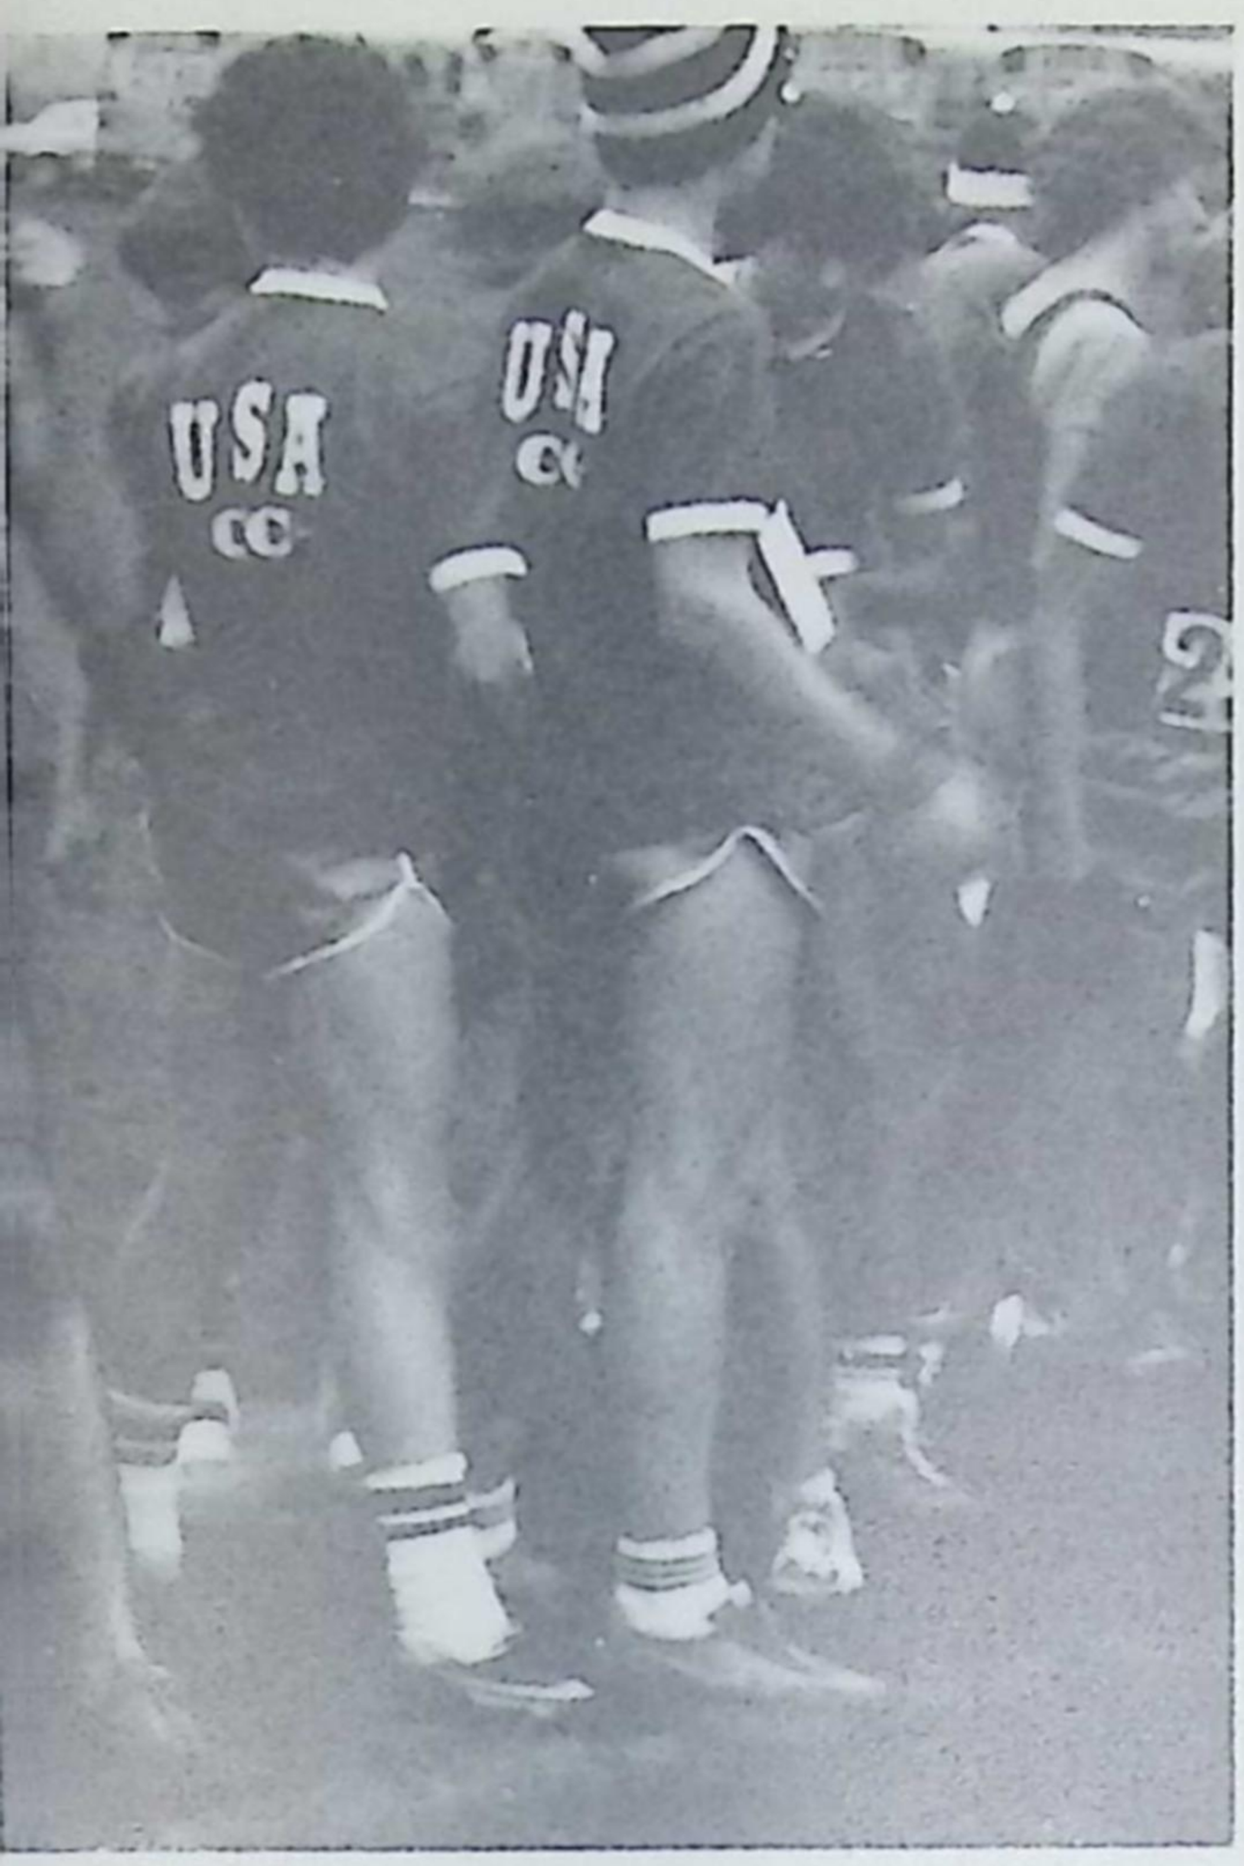
cc runners!

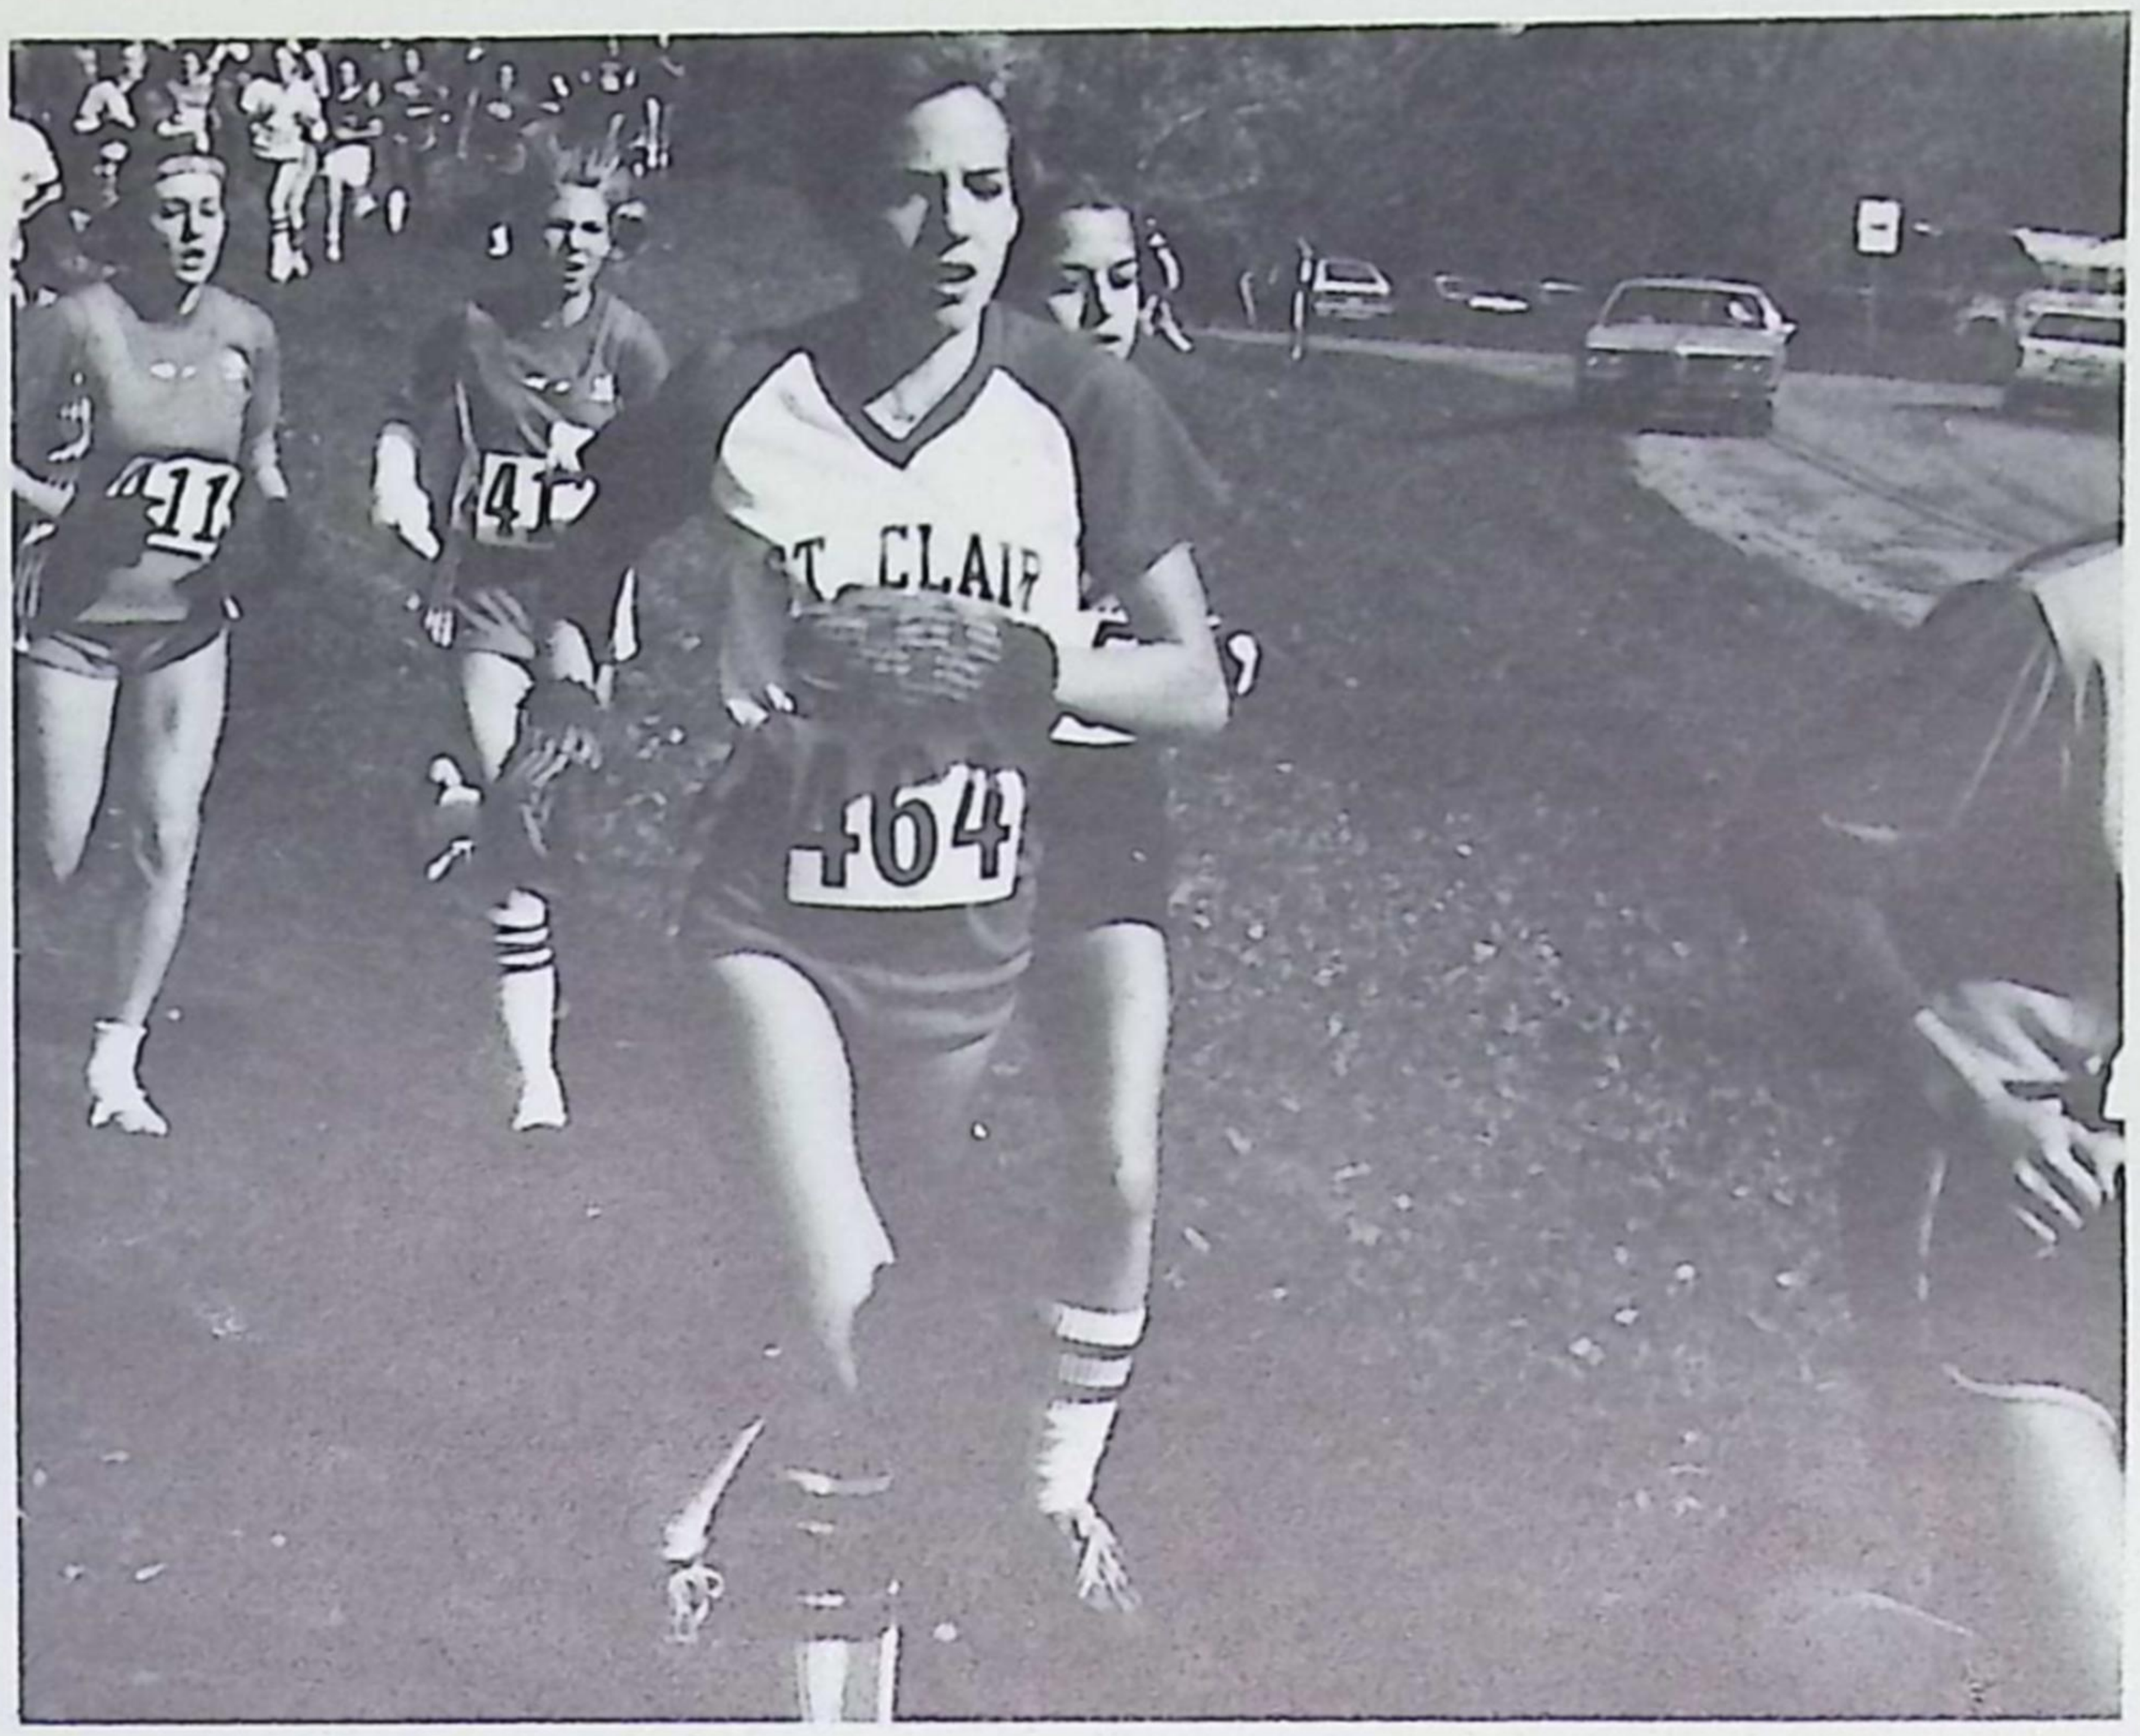
The Saint's Cross Country Team had by far their best season in S.C.H.S. history this year. They not only won two invitationals, a first for the school, but also put three runners in the State Finals. The team placed 4th at the Regionals, missing the State Finals by only six points. The C.C. Team had many surprises for Coach Albrecht who was named All-Area Coach of the year. The Saints also had three runners named to the All-Area Team: Greg Whitican, Dave Phillips, and Dirk Oussoren.



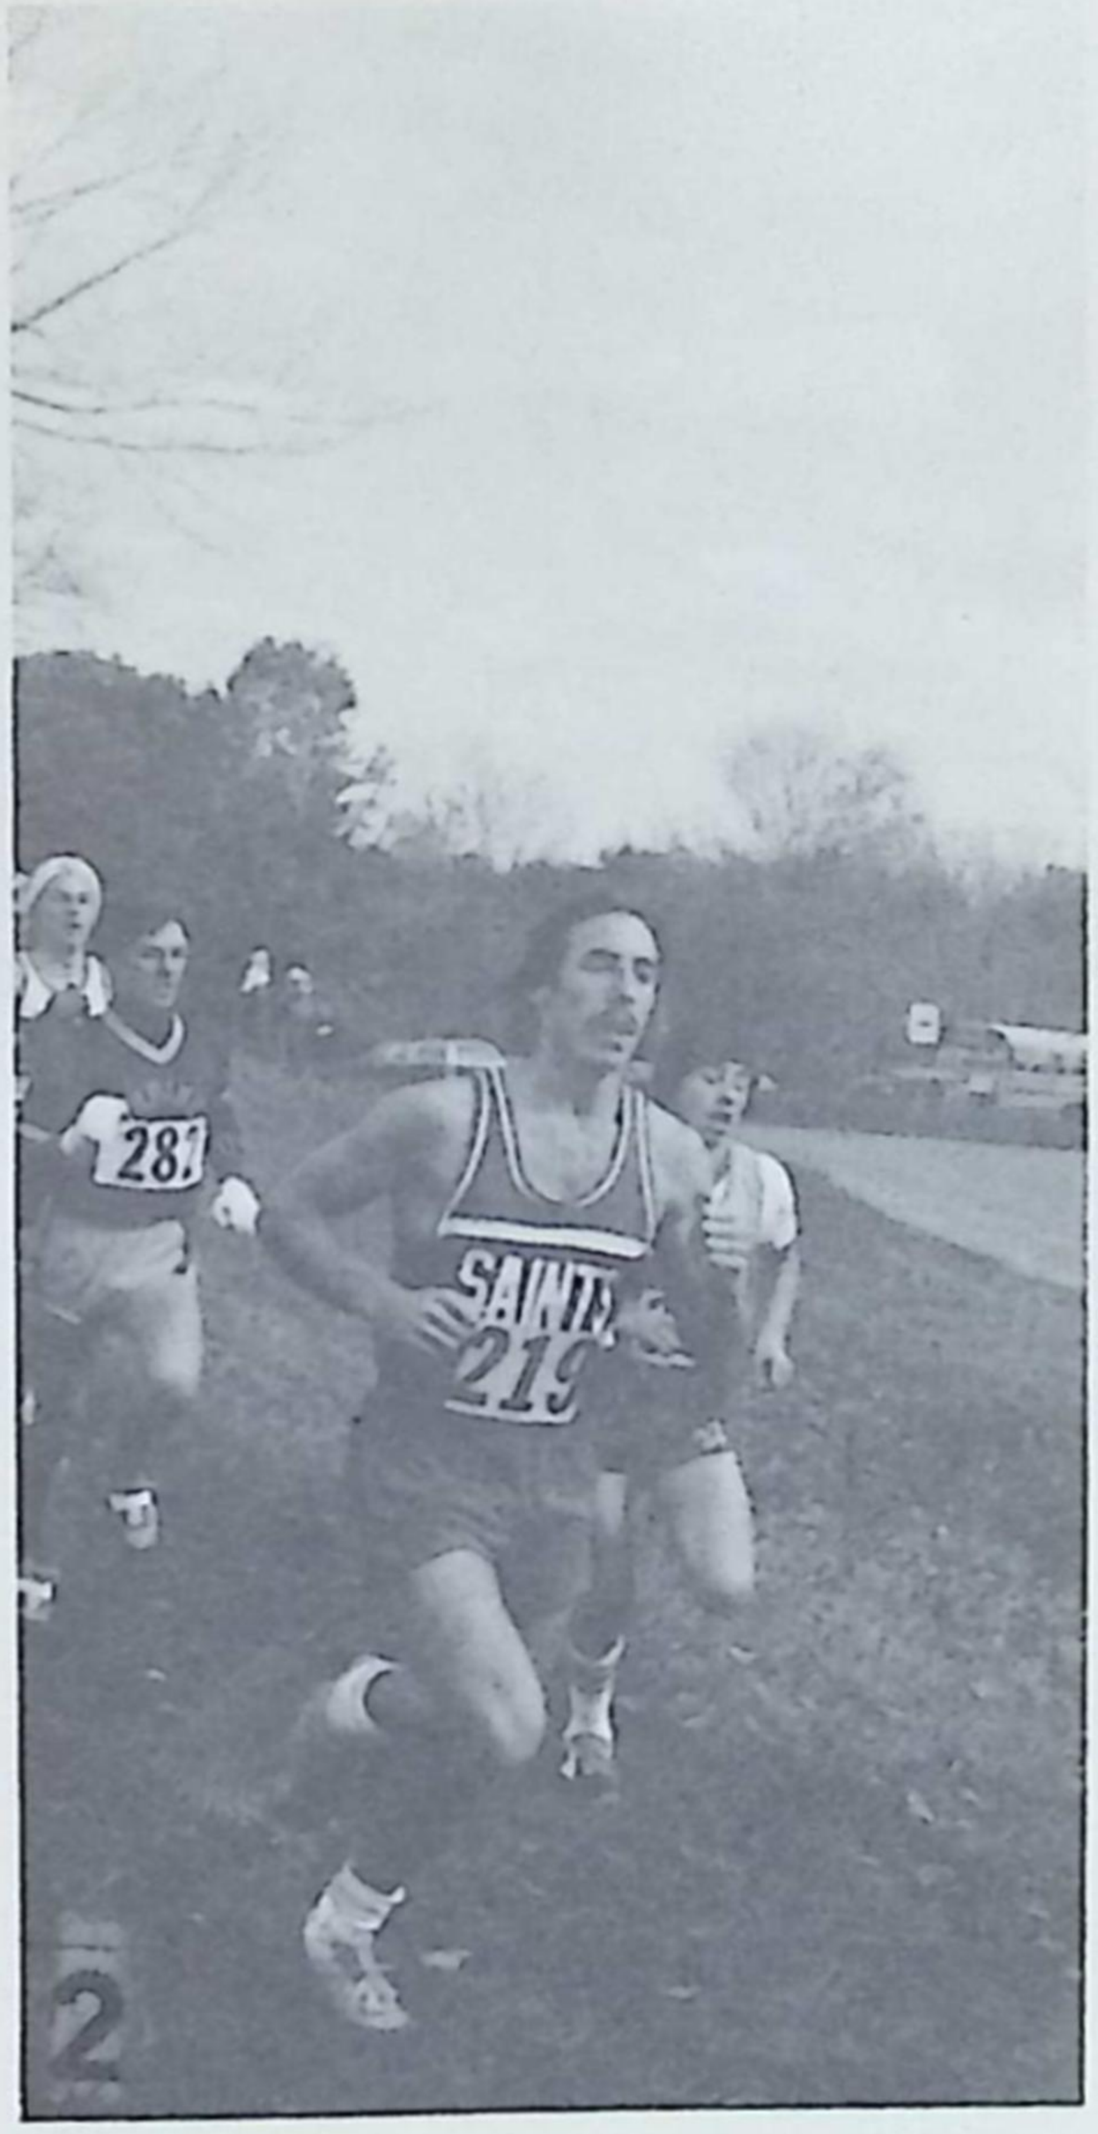


1. Saints get ready to run to another victory. 2. Theresa another victory. 3. Greg Whitican charges to the front of shows what it takes to make the State and 5. gets his





1. Karen Van Tiem pulling ahead of the pack to another strong finish. 2. Dirk Oussoren seems to say "Where is the finish line?". 3. Randy Carahan shows the strain it takes to make All-league. 4. Willie Miller runs to another strong finish.

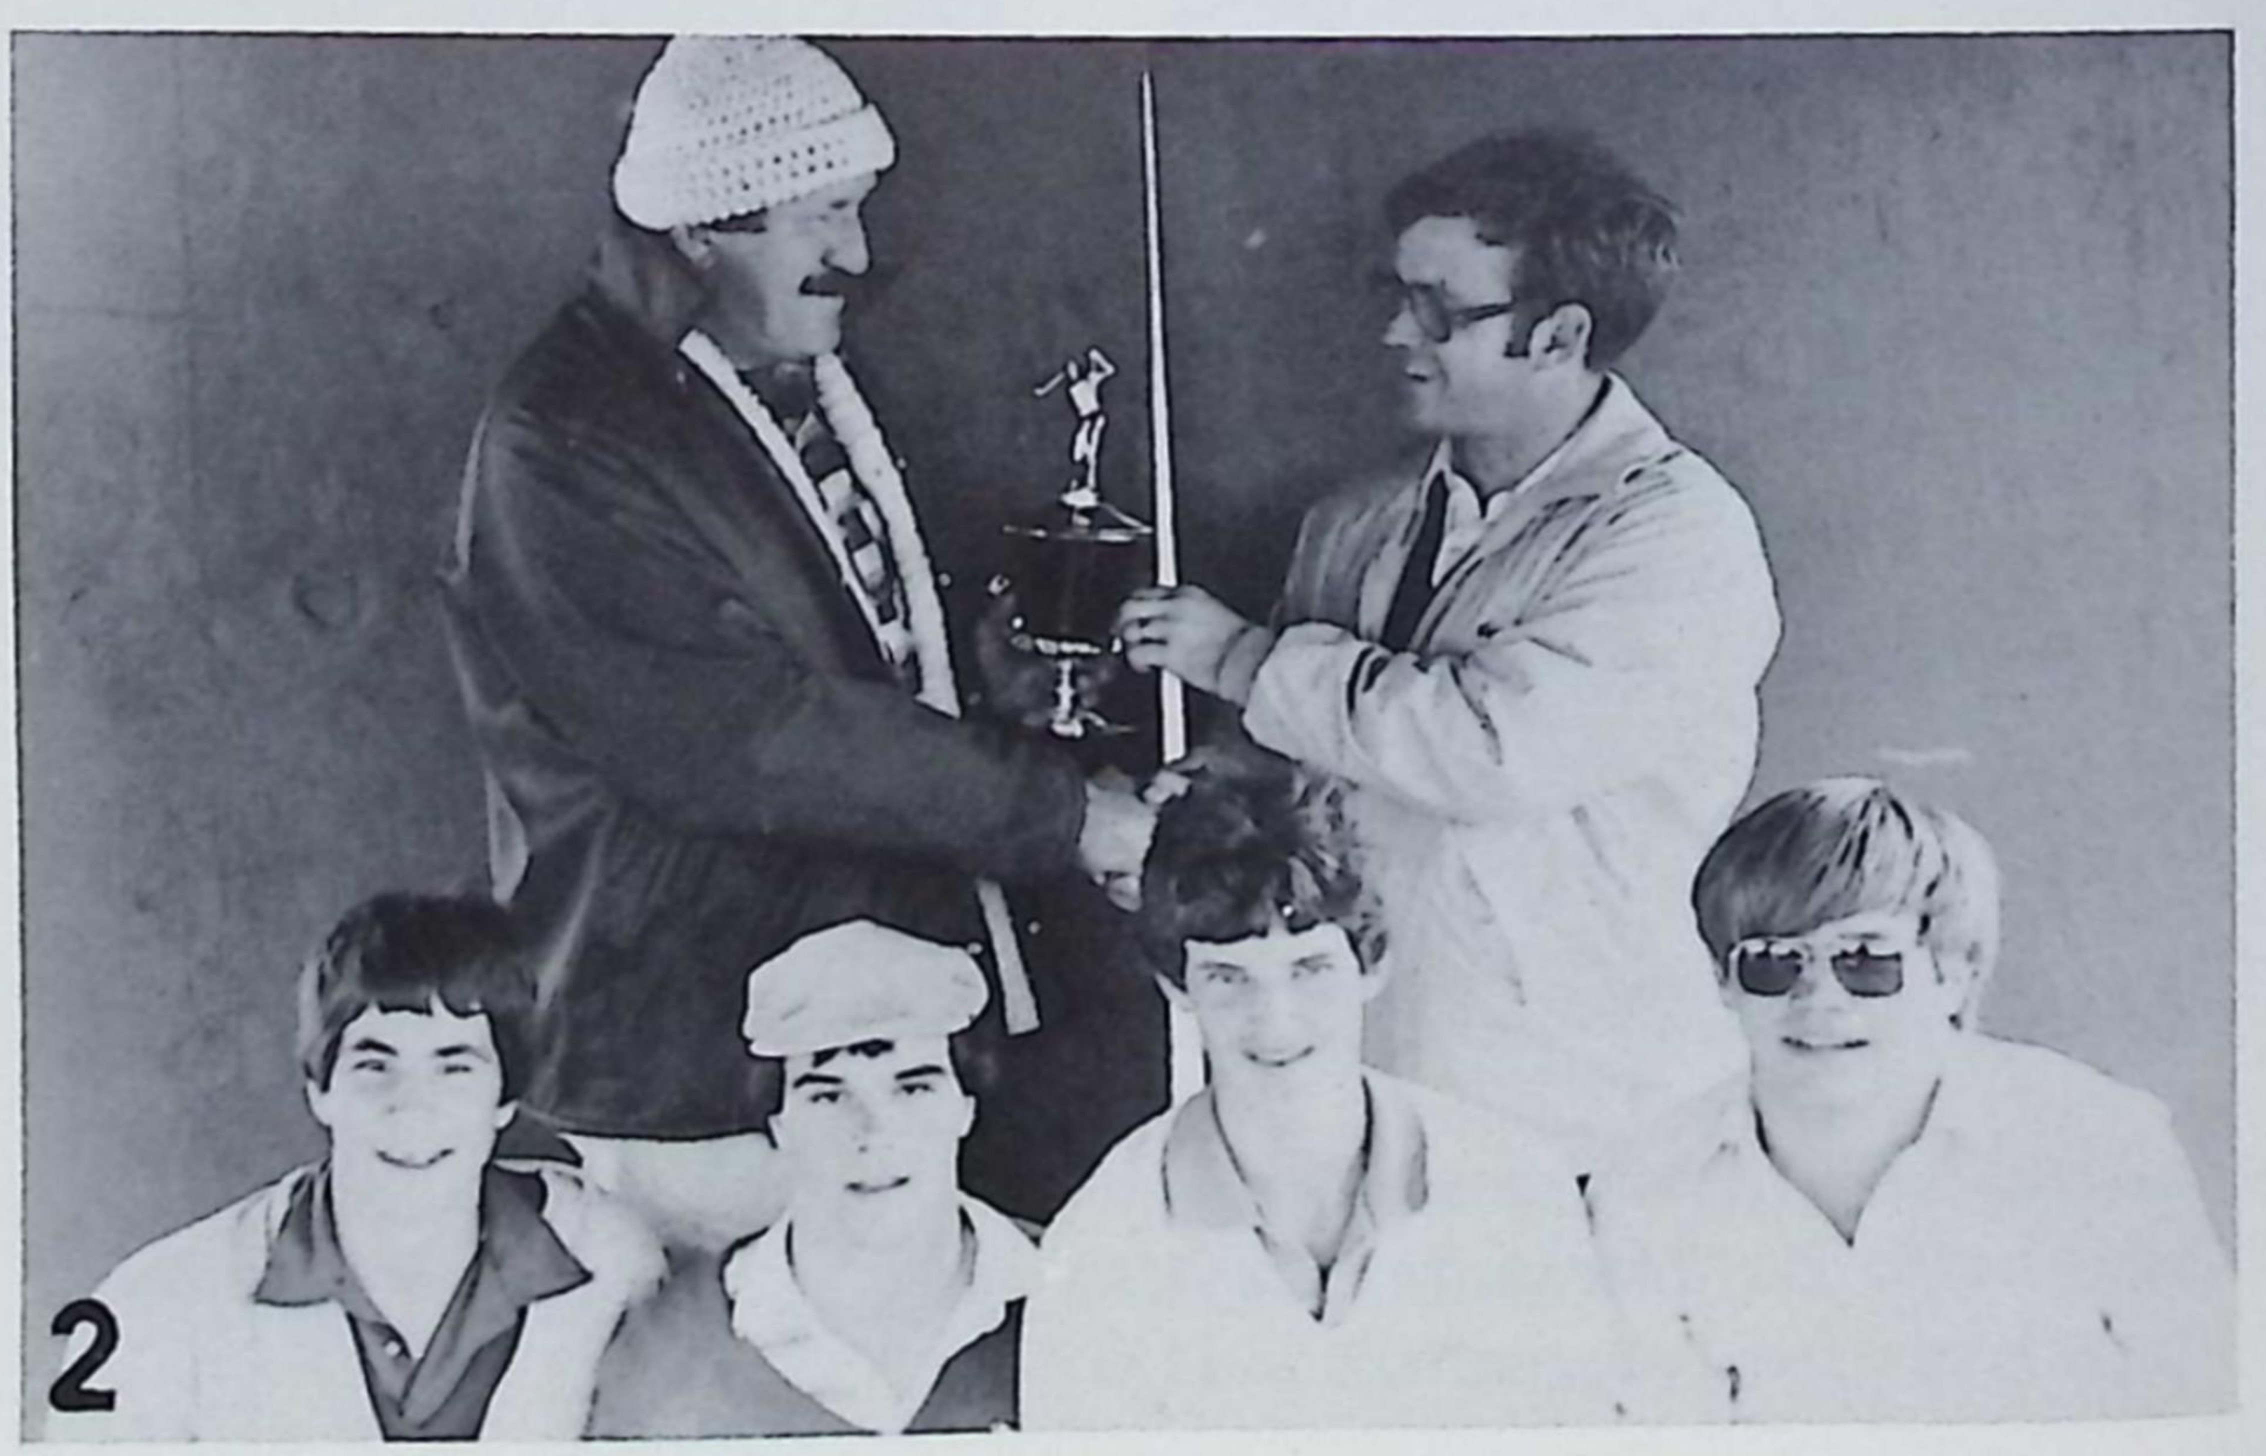


Miller is all smiles after the pack. 4. Dave Phillips medal at the Regionals.

SAINTS DOMINATE
with smooth style

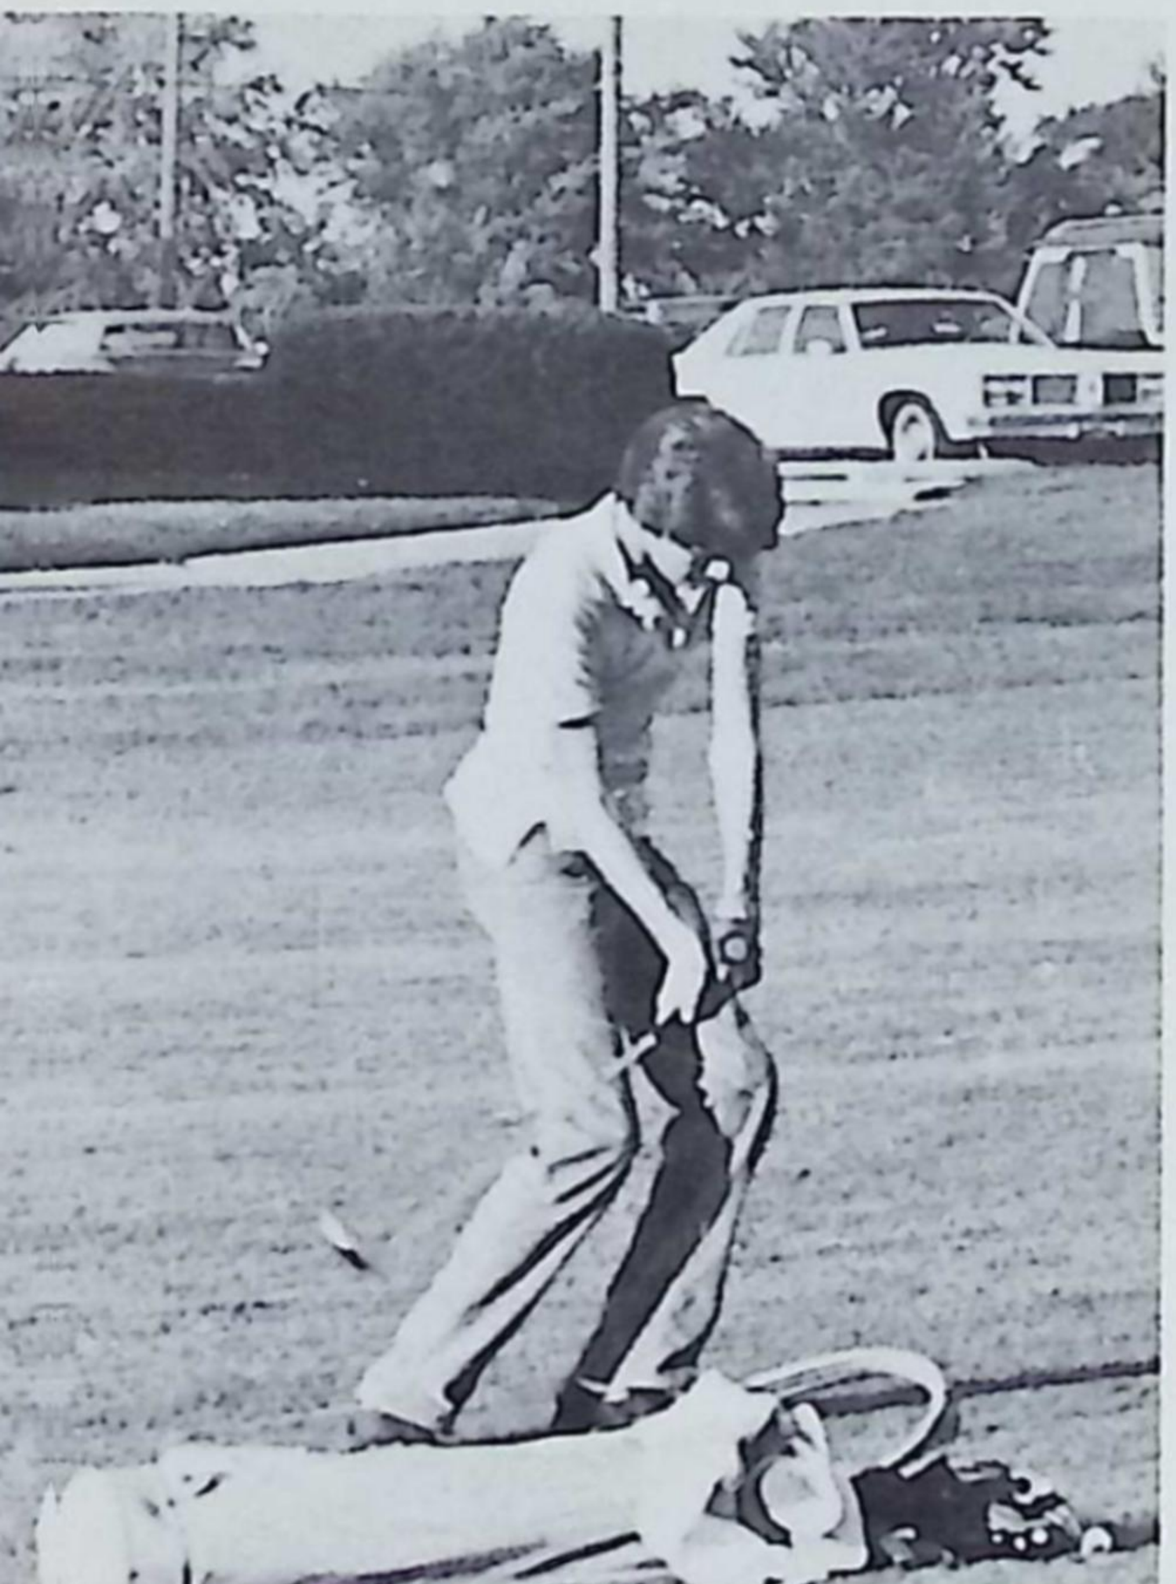
The Saints, being co-champions with Marysville last year, were out to prove that they could be champions all alone, and that is exactly what they did this season. In the League, the Saints were undefeated (beating Marysville twice) this year and qualified for the State Match in Portland. Besides being champs of the League, they also won the Invitational at Brown City. The Golf Team placed second to Marysville in a close League Tournament in Port Huron. When the Saints traveled to Oxford for the Regionals, they placed third with an excellent performance by Todd Fleury-80, Sam Saltman and Jim Barrett-87, and Dave Bellore with an 88. The last meet of the year was the State Finals. The Saints were ready and placed 15th out of 25 teams. Placing first for the Saints was Karl Bublitz with an 82, and Dave Bellore who shot an 83, followed closely by Todd Fleury and Sam Saltman with the scores of 86 and 87 respectively.
All in all the Saints were just superb in their performance this season. They met each and every goal that they set out for this season.

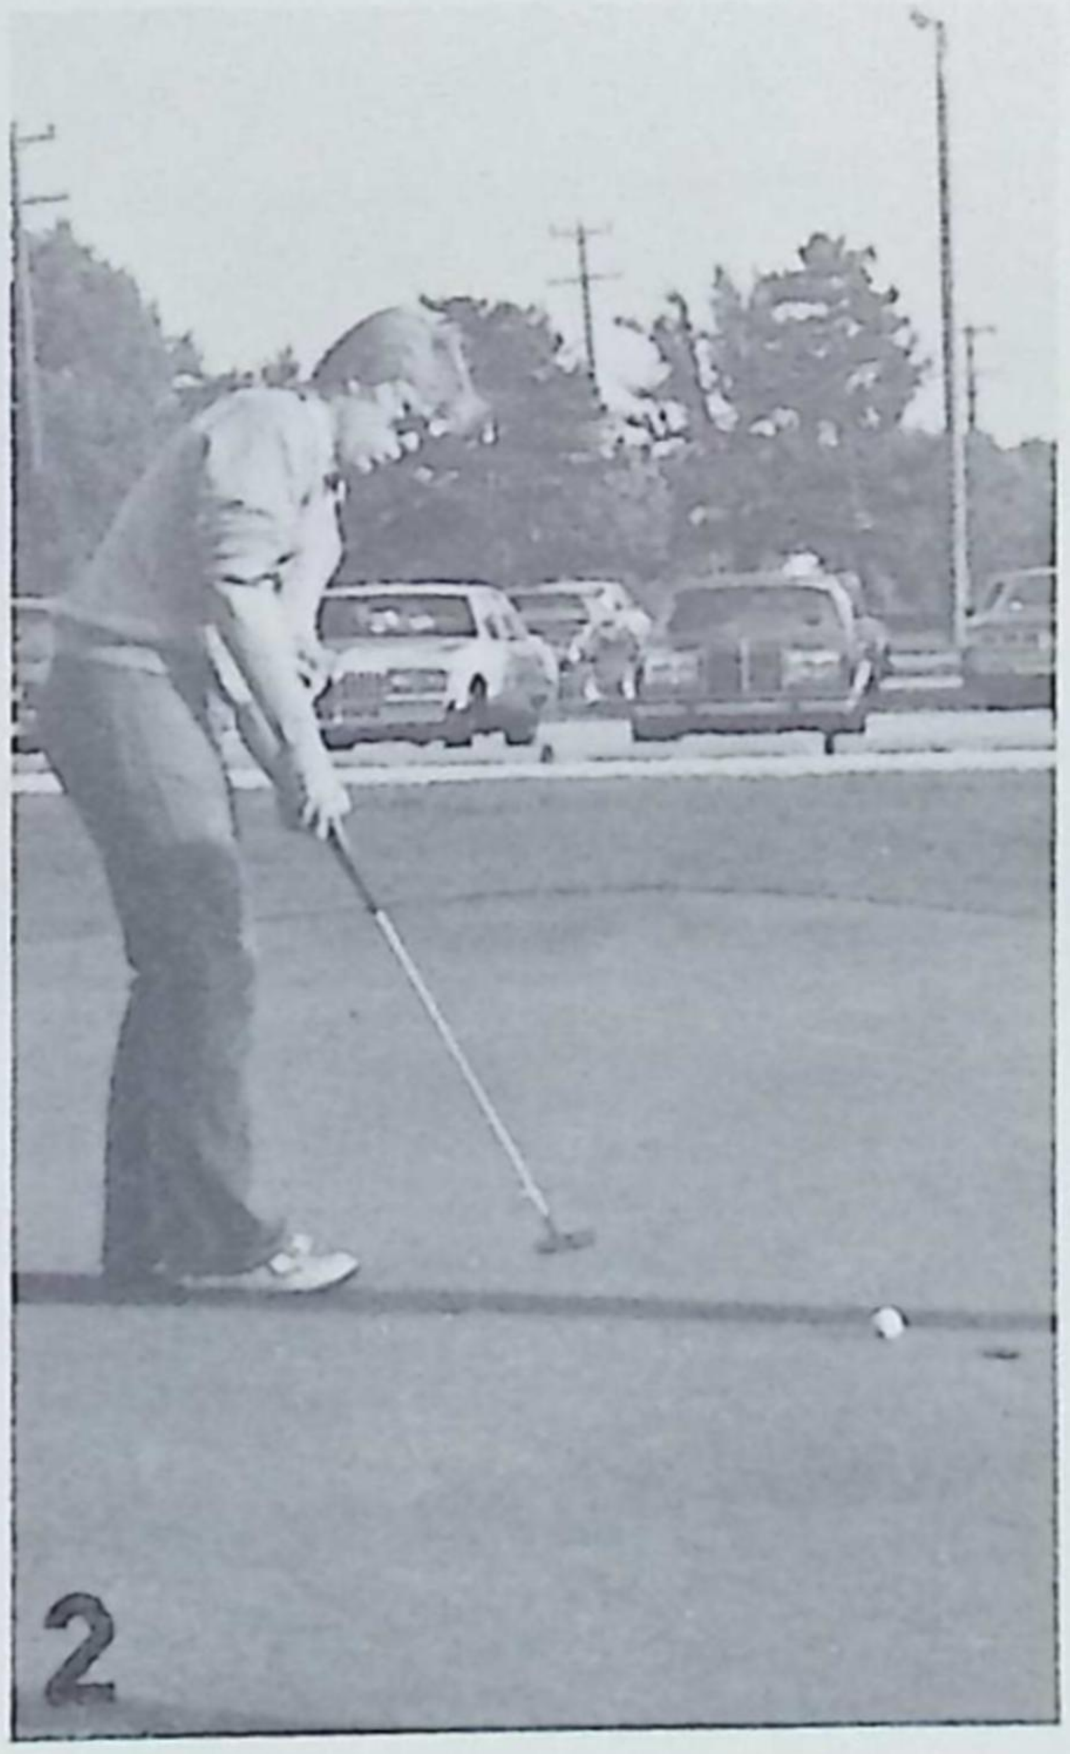
1. Todd and Karl will return next year and lead the team. 2. Coach takes 1st place trophy at Invitational.

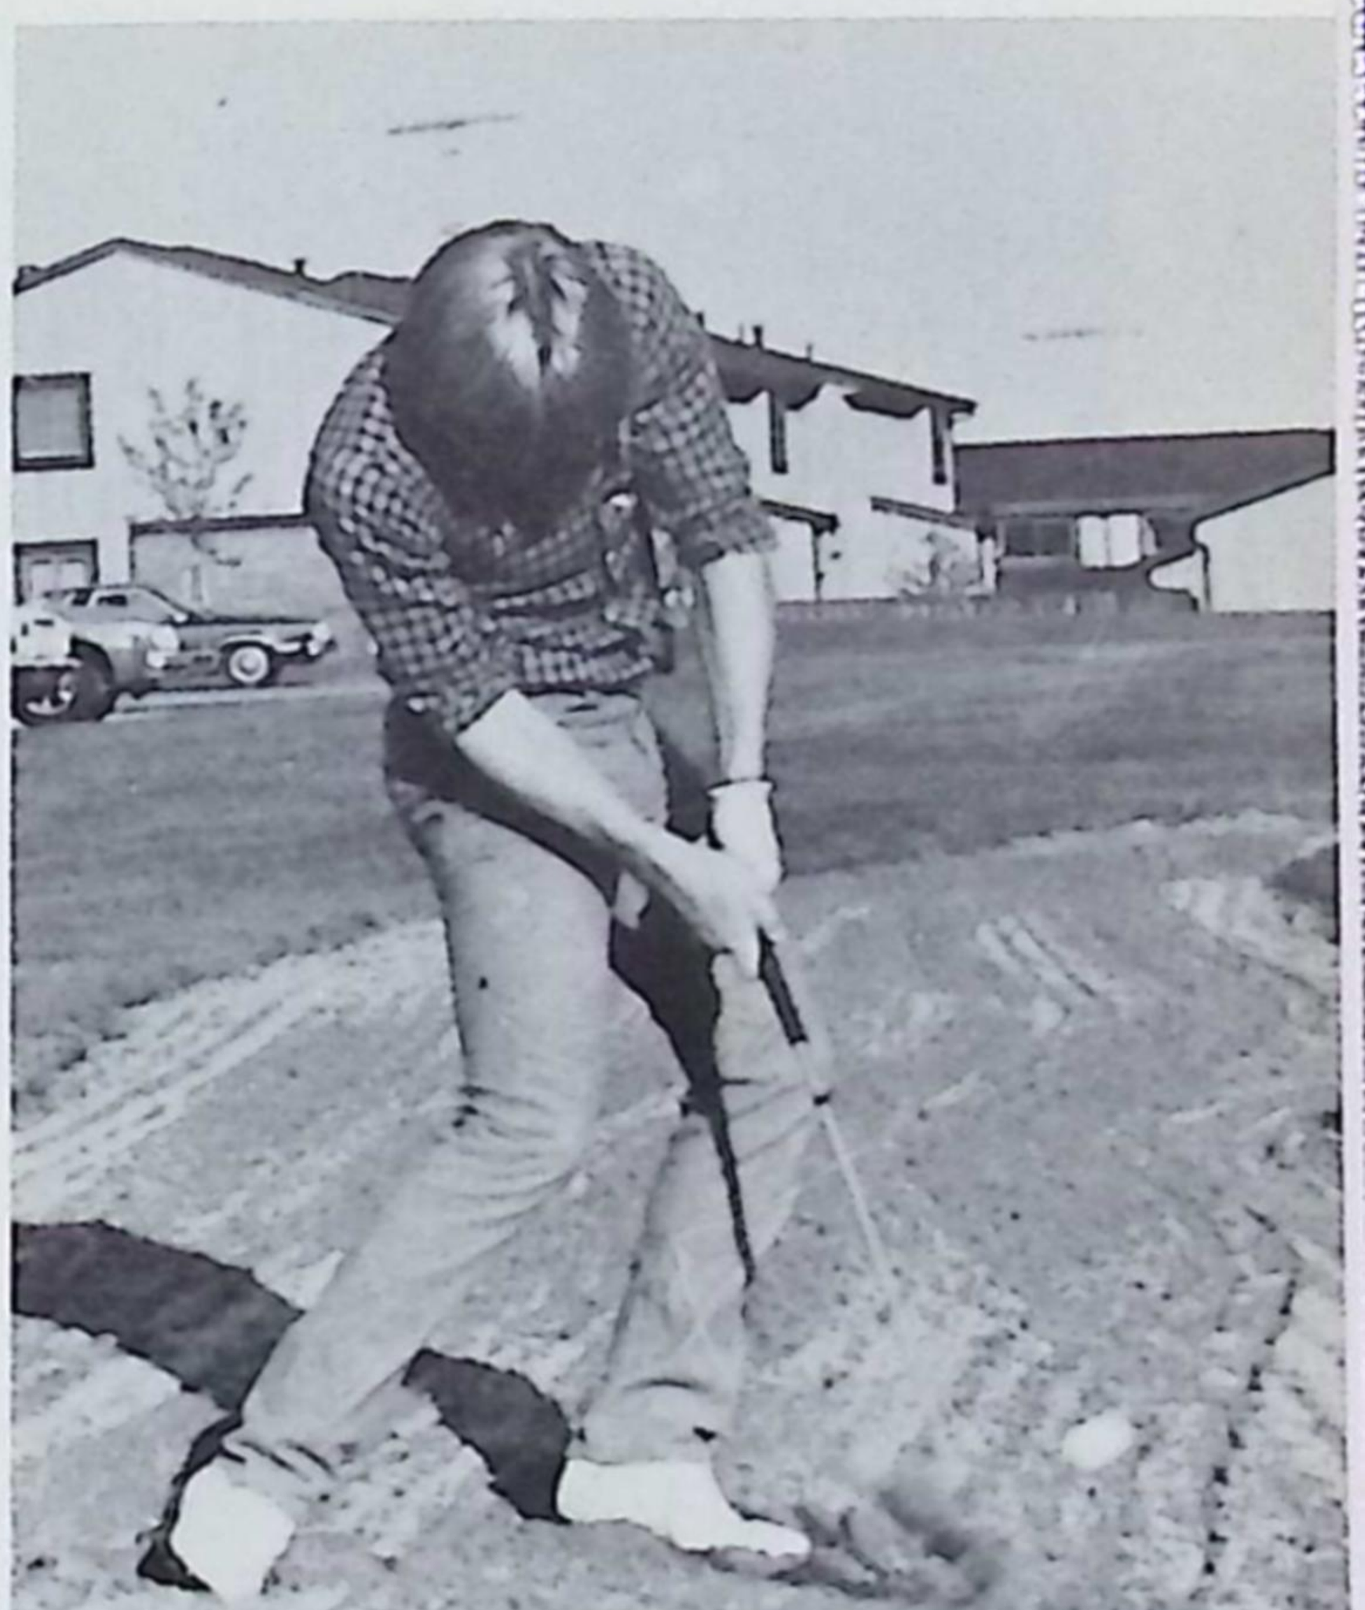


The starting five were no doubt the best in the St. Clair league. The three Seniors, Sam Saltman, 1st man; Dave Bellore, 4th man and Jim Barrett, 5th man played a very important part in the dominating Saints. Todd Fleury, the only Junior on the team, did a terrific job as 2nd man. Karl Bublitz, 3rd man, is probably the best sophomore golfer in the area. In one of his most exciting experiences on the team, Karl sank a birdie putt in overtime to make the Saints victorious in the Eastern Michigan Invitational. Jim Barrett was not only the most spirited and enthusiastic person on the team, but was voted to be captain of the team. Jim was probably the most improved golfer for the entire season.

Mr. Parsons has been golf coach for SC for 13 years. His dedication to the team is felt by all the players. "This is one of the best teams I've ever had."







1. Sam swings a 9 iron in practice play. 2. On the 9th green of the Country Club Mark works on sinking a 5ft. putt. 3. In a little bit of trouble, Dave blasts his way out of the sand trap.

The Lady Saints were determined to make a strong showing in the League, but they were stopped short of their goal, ending their season with a 4-8 League record and a 6-12 overall record. Under Co-Captains Gwen Barran and Janet Reyelts the Lady Saints fought to a fourth place finish in the St. Clair Area League. A high point of the season was the 23 to 19 win over the constant rival Marine City on Parent's Night. Maybe it was the added spirit of the crowd, the Cheerleaders and the Pep Band, all new this year to the Lady Saints.

1. Janet Reyelts making a scoring layup. 2. Sue distelrath up for a layup. 3. Paula Barron getting her free throw shot. 4. Coach Shaw and the Bench give the team support. 5. D'Ann Pfent up for the jump shot.

A Rough Season for the J.V. Lady Saints

The Lady Saints J.V. Basketball team, led by captain Melissa McCollum and co-captain Sandy Young, concluded an outstanding season with a one point victory over Cros-Lex. The J.V. cagers had an overall record of 10-7 with an S.C.A.L record of 5-7. Outstanding players and team spirit contributed to their success. Among these players were Julie Logan who was the Saints best rebounder. Julie Phillips aided her team with excellent play under the basket and Cindy Kotcher's outside shooting came through in many an exciting game.

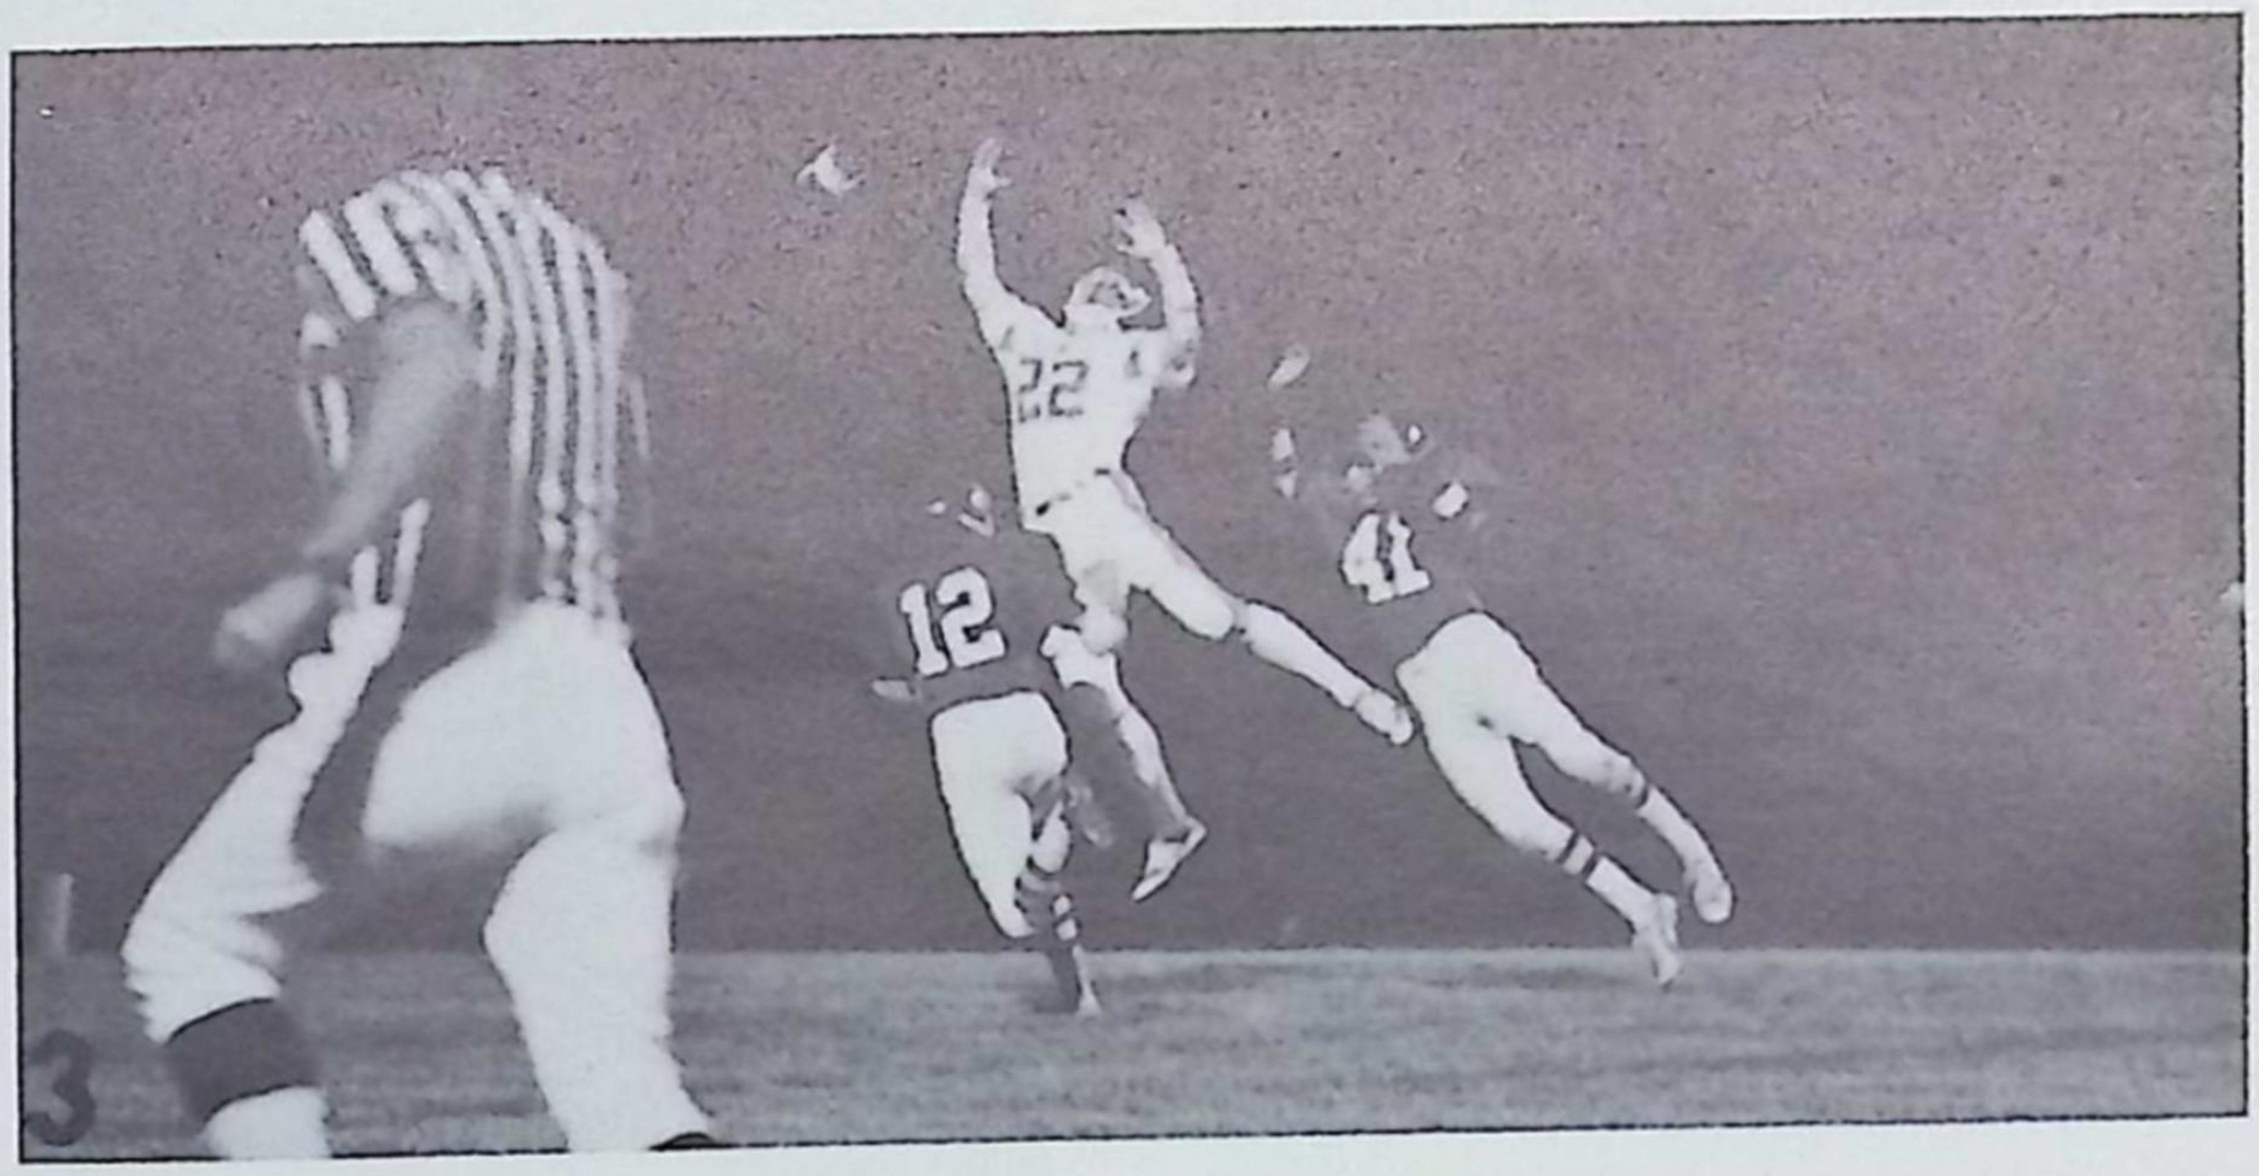
Keeping Imlay City at bay is John Plizga and Tom Hopper while Dave Slis goes for a long touchdown run. 4.Tom Palermino looks for a hole. 5. Going to the air, for some of his 565 yards,Tom Hopper looks for a receiver. 6. A mean sight.



1. Breaking through the hole is Tom Palermino, who gained honorable mention to the All League Team. 2. Winner of the MacDonald Trophy, John Plizga , showing the style that won him Outstanding Offensive Back for the Saints. 3. Dave Slis jumps for another amazing catch, one of the 21 for his total of 440 yards. Dave was named to the All League First Team Offense. 4. Also named to the All League Team was John Plizga, who here sneaks by the Viking defense.

Coach Ben Witukiewicz had these comments about the 1981 Varsity season. "The Varsity football team may not have League Championship pins to wear on their jackets this year, but they will carry with them the memories of friendship, sportsmanship, frustration, pride, determination, victory and defeat, hardwork, sweat and tears, the laughter and good times they shared in the season. I am proud to have been part of it." It was rough going for the Saints, ending the season with a 3-6 record.

Outstanding players on the team this year were Gordie Loftis who made First Team Defense All League and named the Saint's Most Valuable Player. John Lyden and Kevin Brown were named Outstanding Defensive and Offensive Lineman respectively. Jim VanDeusen received the Sportsmanship Award, and Ryan Robinson will return next year as the 1981 Saints most Improved Player.

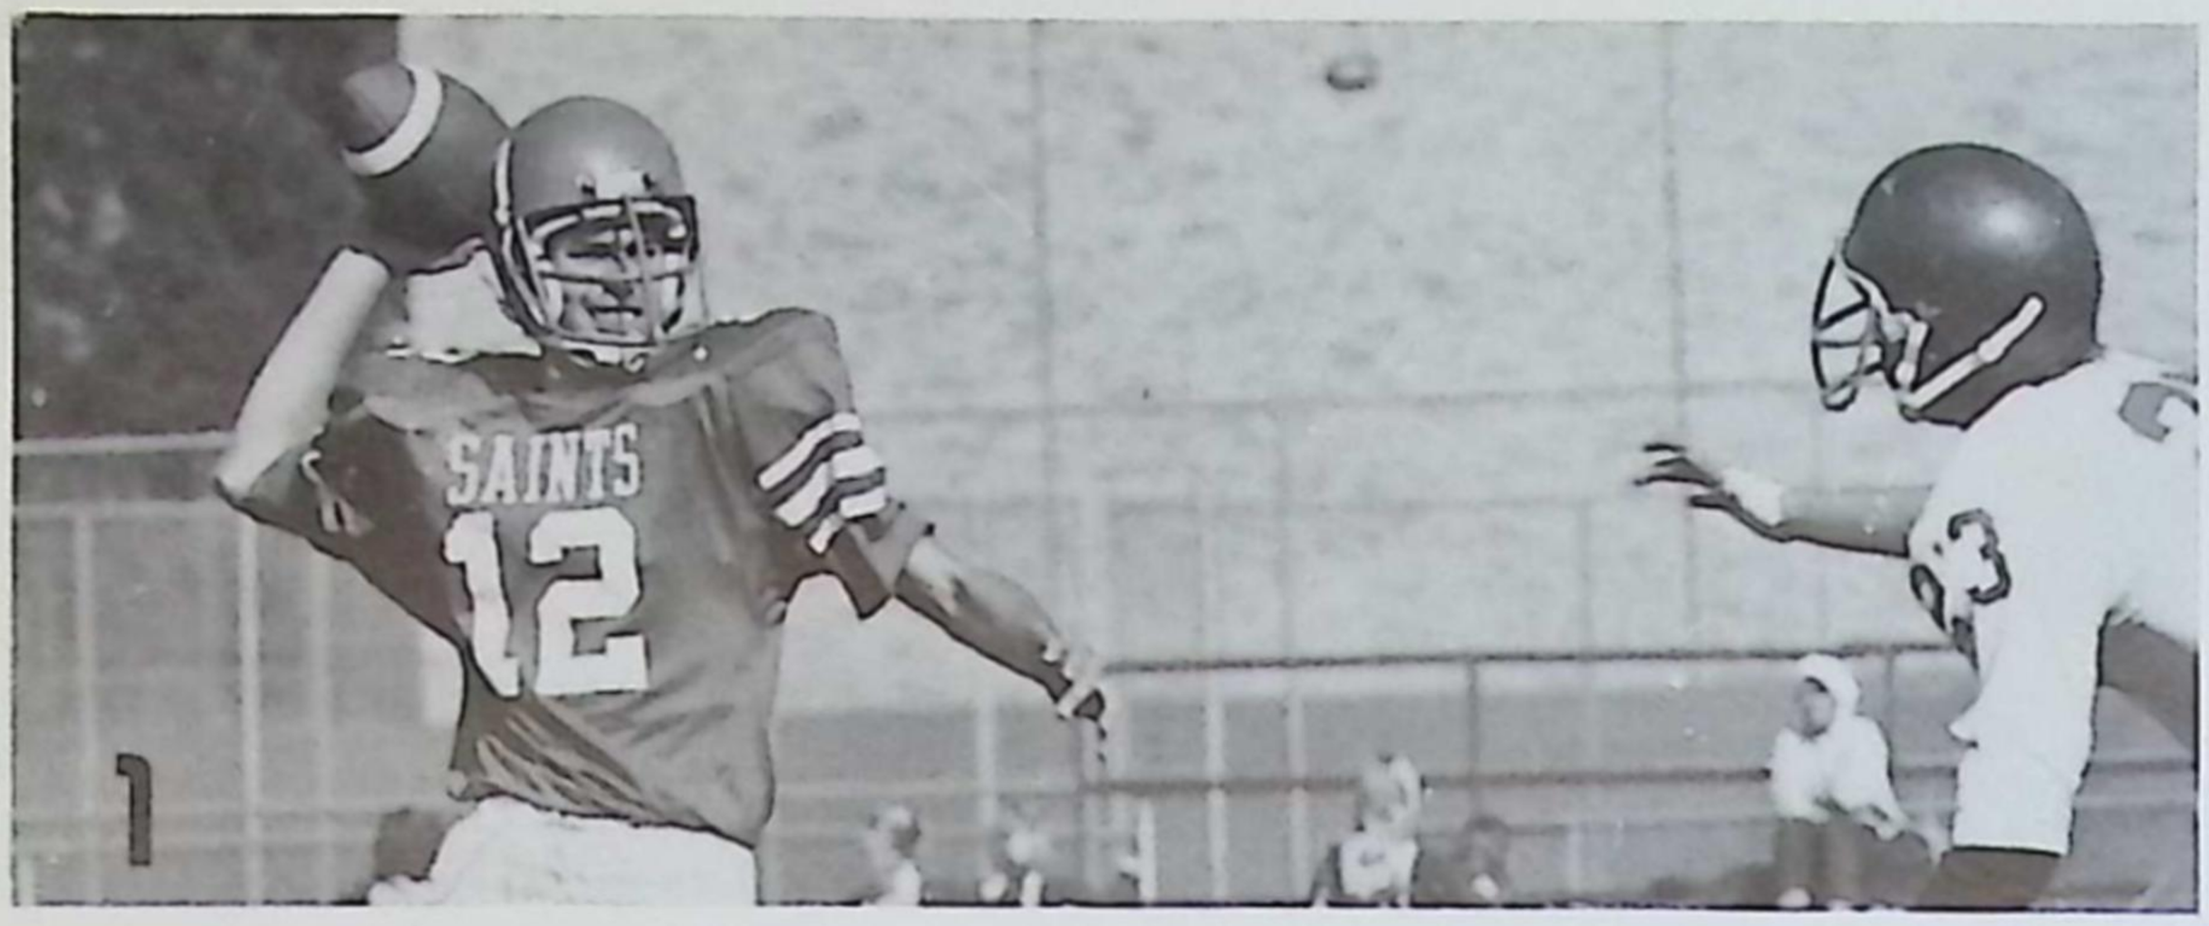
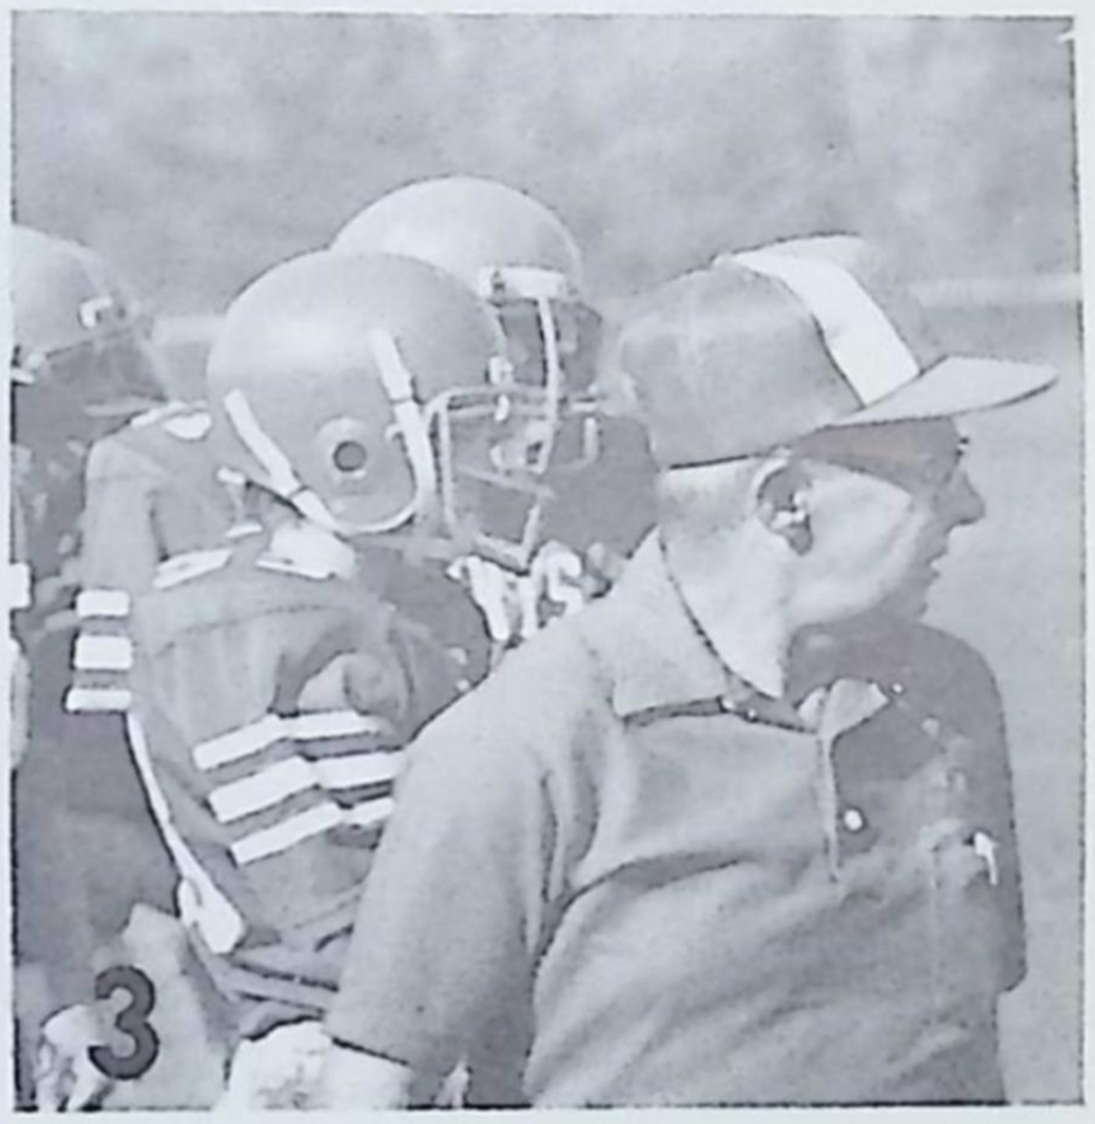
WE WERE GOOD!!



1. The opposing team's defense rushes Bob Rossi as he looks for a Saint's receiver. 2. Tom Winkler out runs the defensive man heading for the score. 3. To protect the Saint's runner, Randy Raymo stays in front to block. 4. In hard contact, Bob Rossi decks the Blue Devil #28 for a loss. 5. Tom Winkler breaking loose for another thrilling Saint's run. 6. Going all out, Rick Shaw makes a diving tackle.



The Saint's 1981 J.V. Football season can be sufficiently summed up in the imortal words of Jeff Schweihofer, "Darn, we were good!" Coach Mallwitz echoed those sentiments with these comments, "We scored 260 points to only 54 points by the opppo-sition. We had 5 shut outs with 8 victories and only one defeat," suffered at the hands of the Marysville Vikings.

1. Tom Winkler breaks tackle and is ready to gain more yardage. 2. Coach Mallwitz watches the Saints form another drive. 3. Coach Craze planning the next strategic play. 4. Richmond losing ground to Tom Winkler. 5. Randy Raymo set to run.

This year is a new beginning for the sophmores. They are moving on into the future, searching for their dreams and goals. Their goals are daring, maybe even strenuous, but they seem to have the determination they need, to reach them. The class of "84" is full of great athletic ability, the J.V. sports are doing great and with their enthusiasm they are sure to continue a victorious year. The sophmores seem to be great leaders, the classes that follow should be glad they have the class of "84" to look up to and learn from.

The council also participated in the citys Christmas parade.

Helping to promote school spirit is another function of the council they did their part by sponsoring Hallowe'en dress up day.

Our student leaders got down to business when they went before the school board to discuss the non-settlement of the teachers contract.

The Student Council is also trying to raise enough money to open a student store that will sell candy T-shirts in school.

N.H.S. REINSTATED AT SCHS

The National Honor Society has had a sporadic influence on St. Clair High School. In the spring of 1961, the first chapter was organized with 20 active and 8 probationary members. The Chapter ceased to be active in the middle sixties but was revived again in 1977-78 under the advisement of Mrs. Barbara Saph and Mrs. Ella Horning.

The St. Clair Chapter totaled 39 members and continued to be active in school projects, especially the tutorial program in which members of the Society were available for tutoring fellow students in their areas of need. In the fall of 1980 the Chapter again took on an inactive status.

This year, under the leadership of Mrs. Saph, the St. Clair chapter will again become active. Mrs. Saph feels strongly that there should be an active chapter at St. Clair High School because, "We must recognize those students who are outstanding in the areas that the National Honor Society promotes. The Society is not only an organization of academically talented students. Members must also show strong leadership, service, and character." Mrs. Saph hopes that the Society will remain active at St. Clair and will involve the members in school projects and community service.

The object of the National Honor Society is to create enthusiasm for scholarship, stimulate a desire to render service, promote worthy leadership, and encourage the development of character in the students of St. Clair High School.

Membership in the Society is based upon scholarship, service, leadership, and character of the student. Students are nominated by faculty members. To be nominated for membership, a student must maintain a 3.6 grade point average as a sophomore, a 3.4 average as a junior, and a 3.2 average as a senior. Once a student achieves the minimum academic standards, they may be nominated. The final decision on membership rests on the srudent's character and service. In addition, members of the St. Clair chapter are required to maintain active involvement with one school activity in addition to the Society.

Color Guard

With the arrival of Mr. Wheeler three years ago to the SCHS Band came the beginnings of our now well known Color Guard. The Color Guard was in the formation stage for several years, but in 1981-82 Mr. Wheeler perfected this fun-filled half-time entertainment. Besides being in the spirited activity of the Color Guard these young ladies also participate in the band. Members of the Color Guard are: Sue McClain, Mary Pelath, Laura Stoner, Michelle Weisner, Sue Creech, and Beth Everitt.

The BIG Guys

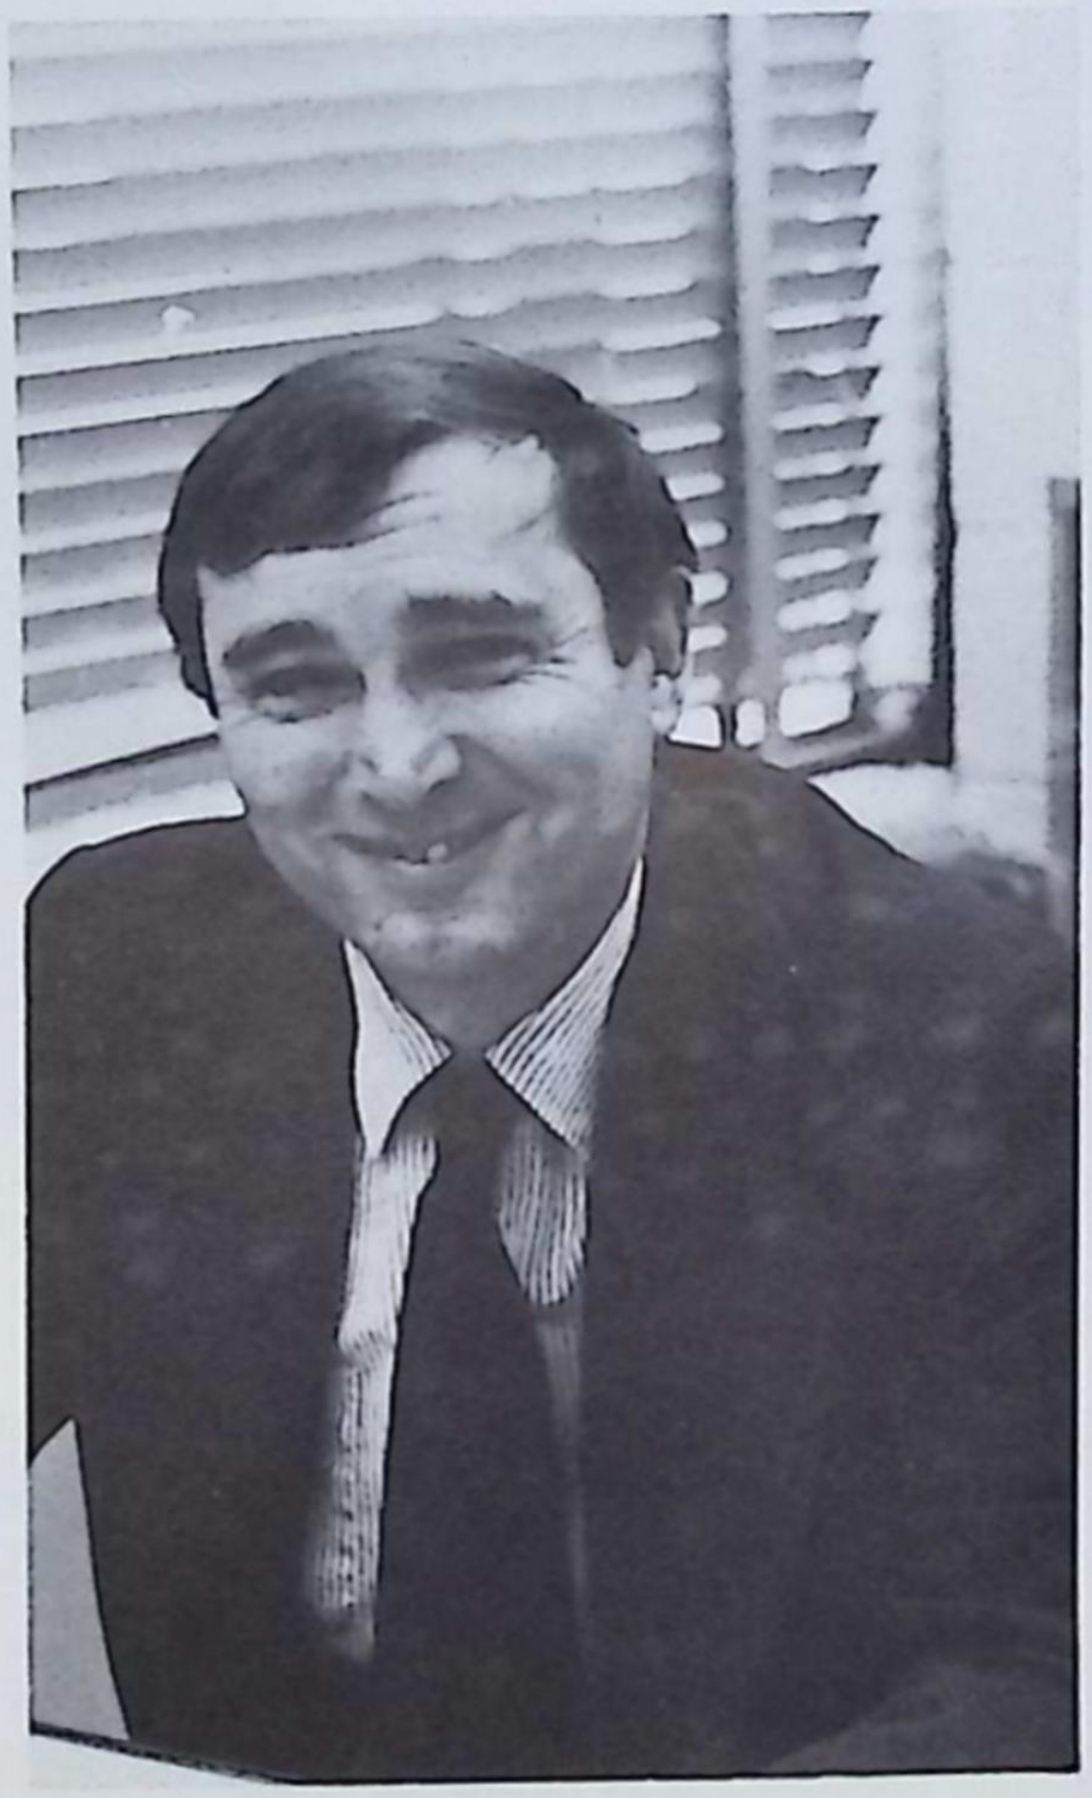
In July of 1981, Mr. Donald Pobuda was named Superintendent of the East China District. He has previously been employed as Superintendent in the Harper Creek School District. Mr. Pobuda has been in education since 1958. He attended Western Michigan University and Michigan State University where he received an Educational Specialist Certificate.

Mr. Pobuda came to East China because of its larger size and for the increased and varied challenges which presented themselves. He feels that public relations within the community are very important to any school district.

Some of Mr. Pobuda's major goals for East China are to expand the educational and extra-curricular offerings, to establish equality in all of our sports programs, and to develop more and different sports programs.

Mr. Pobuda attends as many of the varied activities and programs within the school district as he can. In his spare time, he likes to participate in athletics and he enjoys reading.

Principal Rodger Parmentier takes a minute to let us know that all is well while checking out disciplinary reports of students. This is Mr. Parmentier's second year back as Principal of St. Clair High School.



Involved in his routine first hour duty of checking student absences is Mr. Kenneth Wingate our Assistant Principal.

Mr. Edward Trudell is the Secondary Curriculum Coordinator for the East China School District. Mr. Trudell has been in education since 1950, after a brief career in the U.P. mines and the U.S. Army. He rejoined the district in 1975. Mr. Trudell's responsibilities include evaluation of Principals and teachers and study of the secondary school's curriculum. During his years at E. China the curriculum in math, science and language arts have been reviewed. A major curriculum change Mr. Trudell was responsible for this year was the addition of Computer Assisted Instruction in the District.

The St. Clair High School Day Custodians are Mr. Robert Bryson, our Head Custodian and Mr. Ray Klaski who are taking a break from cleaning the cafeteria, opening lockers, locking and unlocking doors, filling the pool and they many other dozen-odd things they are called on to do during the school hours. Our night time crew that keeps the school cleaned and running after the majority of students leave for the day are left to right: Mr. William "Denny" Daniels, Mrs. Norma "Nummy" Thomson, Mr. Louis Riffenburg, and Mr. Timothy Sharrow. Not pictured is Mr. John Dasharion and Mr. Jay Trempler who nobody sees on the midnight to seven a.m. shift.

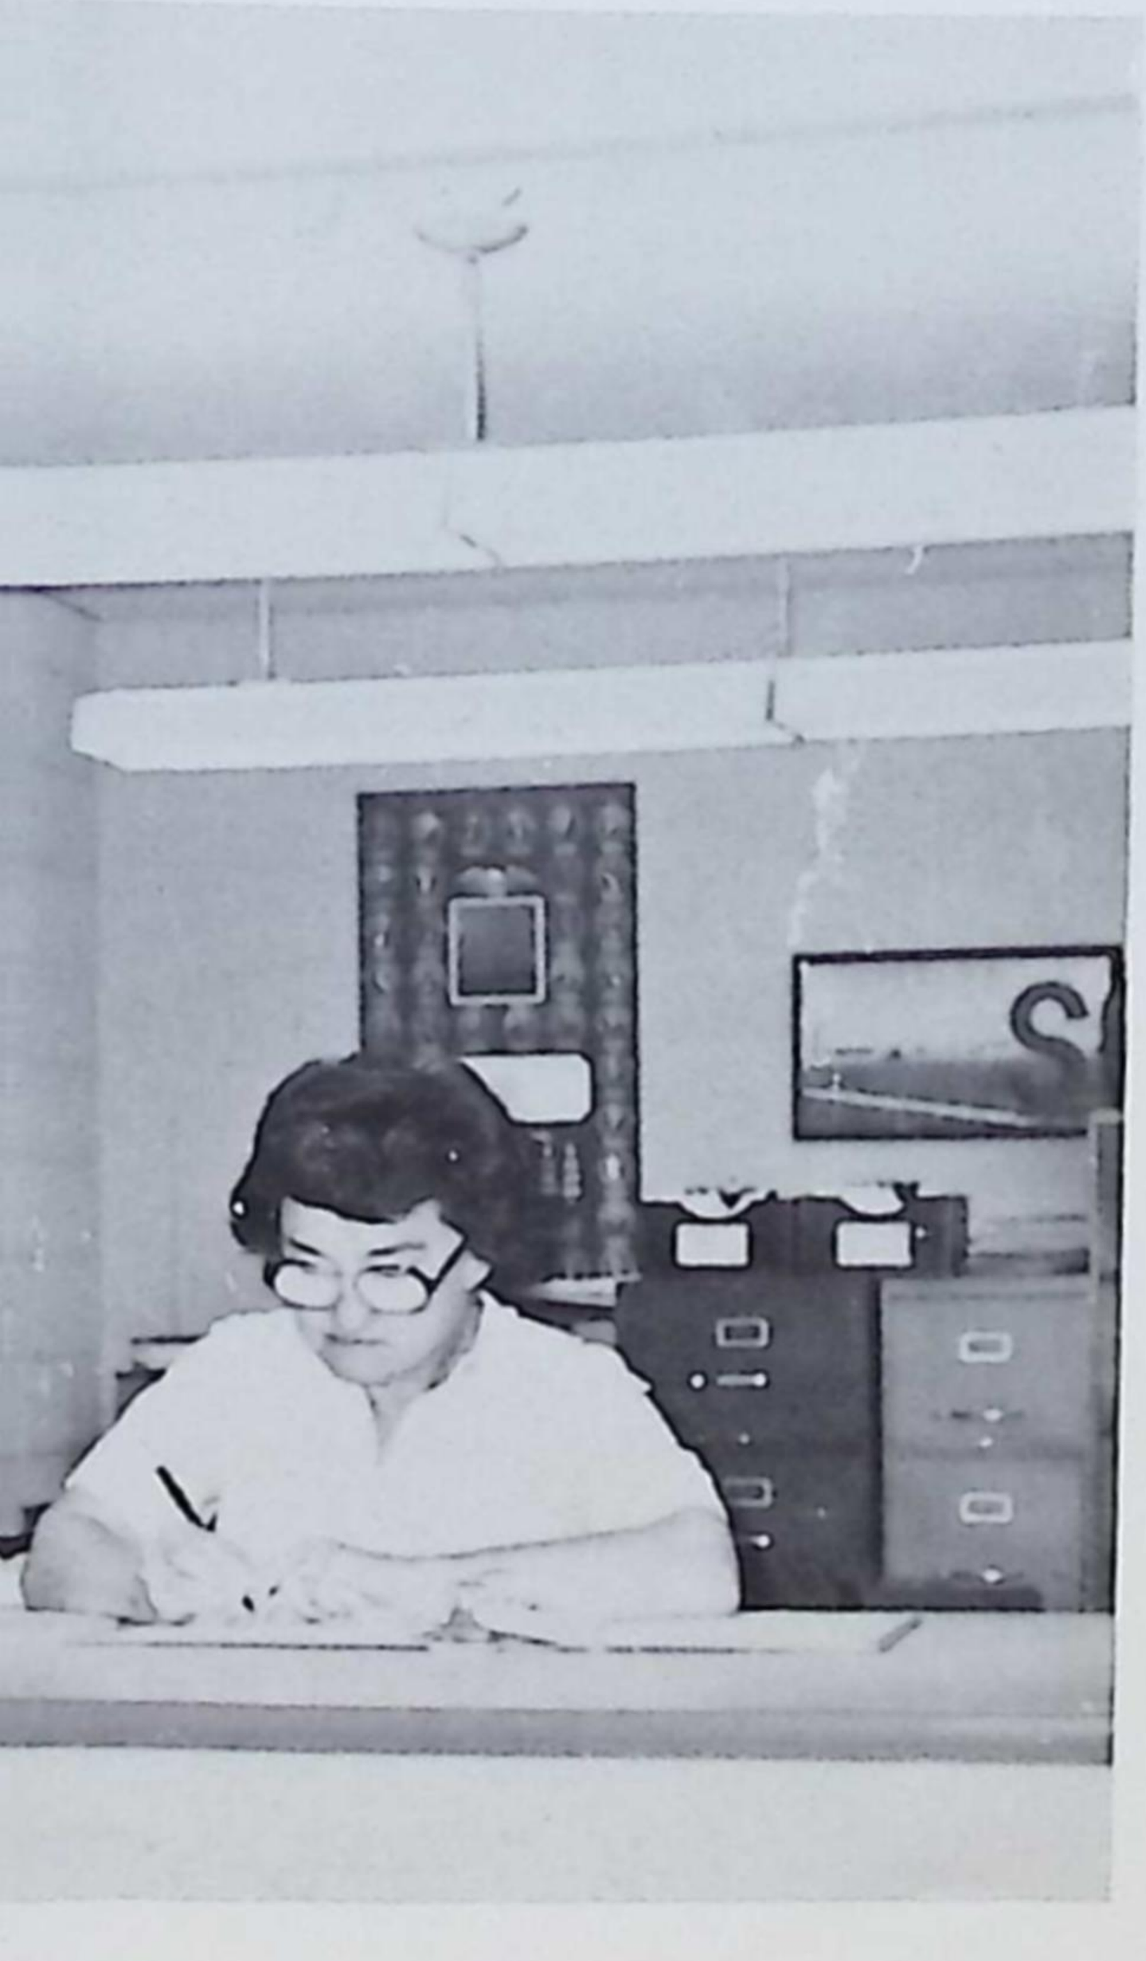
Mrs. Evelyn Kukulka is the East China School Districts Nurse. Since she has all the students to work with we only see her during speech and hearing testing, or if our school health records need clarification.

Mrs. Pat McCartney says "picture time already?" So she smiles and takes time from her busy schedule. Mrs. McCartney's title is Aid. and that is exactly what she does for everyone. She helps the teachers with typing and running off assignments and those wonderful tests. She aids the secretaries in the office doing most anything, and of course she is always seen in the gym during noon hour being bombarded by basketballs. After school, one can find her in the detention room. Mrs. McCartney has been at SCHS for 8 years and what she enjoys most about her job is the kids.

The OTHER Guys

Cooks

Front row: Betty Richter, Betty LaPorte, Genevie Hut-kowski, Back row: Jane Wolak, Mary Jane Gauthier, Luella Muhlitner, and Shirley Warwick. The cooks are also responsible for all the schools in St.Clair. Mrs. Gauthier and Mrs. LaPorte are no longer with us they have been transfered to Pine River Elemtary.



Mrs. Beryl Levy is the Principal's Secretary. She has been at St. Clair High School for 14 years nd loves every minute of the variety the position offers. Variety it certainly has, with Mr. Parmentier giving her work from Atheletics to Zapping students.

A Birthday kiss to Mrs. Phyllis Rocker from Mr. Parmentier. The kiss may well be also for doing such a great job and balancing the school's checkbook. Mrs. Rocker has been doing that for 14 years, and anyone that can say they enjoy everyday must love their job as a Bookkeeper.

JUST TWO YEARS IN THE ARMY CAN HELP PAY FOR COLLEGE

These days, money for college is becoming harder and harder to find. Except for people who look in today's Army.

The Army combines good-sized college benefits with a short two-year enlistment.

So you could accumulate thousands of dollars for college and be home to use it in just two years.

You'll also bring home the kind of maturity that can help in college.

So, if you're in a hurry to earn money for school, consider the Army's two-year enlistment. It can get you money for college before you even start to lose your study habits.

Serve your country as you serve yourself.

See the Yellow Pages under "Recruiting." Or call:

982-4911

ARMY. BE ALL YOU CAN BE.

Should Your Senior Picture be Different ?

By all means your personal senior portrait should be different from everyone else's. This may mean special lighting, clothing, and poses—whatever it takes to capture you at your best.

No assembly line, please!

At our studio we're prepared to put out that special effort to make your senior picture one that "captures the real you", and one that is worthy of this important event in your life!

Call us and see the difference!

**When you look for a job,
they'll ask for experience.**

Whether you're headed on for more schooling or you're headed into the job market right now, one thing's for sure.

Employers are looking for experience.

When you look for a bank to begin handling your accounts you should ask for experience, too.

Experience means when you need a bank for more than saving and checking, they'll be able to handle your needs.

The bank with the most experience in St. Clair County is The Commercial and Savings Bank. We've been helping people and businesses continuously since 1871. That's experience!
